

CALICO ROCK SCHOOL
PROFESSIONAL DEVELOPMENT DOCUMENTATION FORM
School Year _____

Teacher Name _____

New legislation now allows teachers to count working in their classroom as professional development. However, it does restrict some activities such as:

- Recording grades
- Putting up bulletin boards
- Clerical work for ACSIP
- Organizing materials

Approved Activities: Please circle the activities you have chosen to work on:

- Grade-level team planning to integrate subject areas
- Team work to analyze student access data
- Work on AIP's
- Training in classroom assessment strategies
- Training in curriculum alignment/mapping
- Training in classroom management/discipline
- Implementation of action research plans to increase student achievement
- Professional book studies
- Creating and developing lesson plans aligned to the frameworks
- Analyzing student work for patterns and learning trends
- Developing student-centered units tied to the frameworks
- Developing intervention strategies to support remediation
- Developing ACSIP as a team
- Research-based programs of significance, such as ELLA, Math Links, FLF
- On-line courses, such as Teacher-To-Teacher
