

Tips for a Successful School Year

- Make sure you have login information for HAC (home access center) allows you to check grades at any time
- Check the student handbook for email addresses for faculty and administrators
- Make sure you have the school calendar and note the dates of parent/teacher conferences
- Ensure your child has a good day, by communicating after school plans with your child(ren) (bus or car rider)
- Start the day off right by getting children to school on time
- Elementary family check your child's backpack for notes and communication, daily
- High School discuss what your child has due and if they have any notes or permission slips
- Check the weather for adequate dress options
- Go to pirates.k12.ar.us and sign up for text and/or email alerts
- Be a partner with faculty, administration and school district
- If you have a phone or address change, notify the office
