President of Board

Date

State law requires each District to include its classified employee's salary schedule in its written personnel policies. Your district is required to have a salary schedule for at least the following five categories of classified personnel: 1) Maintenance and Operations; 2) Transportation; 3) Food Service; 4) Secretarial and Clerical; and 5) Aids and Paraprofessionals. The District is required to post the salary schedule on its website by September 15 of each year and should place an obvious hyperlink, button, or menu item on the website's homepage that links directly to the current year classified policies and salary schedule.

For the purposes of this policy, an employee must work two-thirds (2/3) of the number of their regularly assigned annual workdays to qualify for a step increase.

The superintendent has the authority, when recommending an applicant and his/her placement on the District's salary schedule to the Board for its approval, to consider the applicant's previous work experience with similar duties, responsibilities, and skill sets to those job duties and responsibilities the applicant would assume for the District.

CODE OF ETHICS

All employees of the Calico Rock School District, whether certified or classified, are a necessary part in the process of educating the students of the district. Therefore, we must all strive to not allow insignificant things that occur during the school day to deter us from our common goal, the education of our youth.

It is important that employee's actions at school and in the community be of the highest quality because of the effect they may have upon our students, either directly or indirectly.

A classified employee found to be dishonest or immoral will be subject to dismissal by the Calico Rock School Board.

CLASSIFIED PERSONNEL SOCIAL NETWORKING AND ETHICS

Definitions

Social Media Account: a personal, individual, and non-work related account with an electronic medium or service where users may create, share, or view user-generated content, including videos, photographs, blogs, podcasts, messages, emails or website profiles or locations, such as FaceBook, Twitter, LinkedIn, MySpace, or Instagram.

Professional/education Social Media Account: an account with an electronic medium or service where users may create, share, or view user-generated content, including videos, photographs, blogs, podcasts, messages, emails or website profiles or locations, such as FaceBook, Twitter, LinkedIn, MySpace, or Instagram.

Blogs are a type of networking and can be either social or professional in their orientation. Professional blogs, approved by the principal or his/her designee, are encouraged and can provide a place for staff to inform students and parents on school related activities. Social blogs are discouraged to the extent they involve staff and students in a non-education oriented format.

Policy

District staff are encouraged to use educational technology, the Internet, and professional/education social networks to help raise student achievement and to improve communication with parents and students. However, technology and social media accounts also offer staff many ways they can present themselves unprofessionally and/or interact with students inappropriately.

It is the duty of each staff member to appropriately manage all interactions with students, regardless of whether contact or interaction with a student occurs face-to-face or by means of technology, to ensure that the appropriate staff/student relationship is maintained. This includes instances when students initiate contact or behave inappropriately themselves.

Public school employees are, and always have been, held to a high standard of behavior. Staff members are reminded that whether specific sorts of contacts are permitted or not specifically forbidden by policy, they will be held to a high standard of conduct in all their interactions with students. Failure to create, enforce and maintain appropriate professional and interpersonal boundaries with students could adversely affect the District's relationship with the community and jeopardize the employee's employment with the district.

Staff members are discouraged from creating personal social media accounts to which they invite students to be friends or followers. Employees taking such action do so at their own risk and are advised to monitor the site's privacy settings regularly.

District employees may set up blogs and other professional/education social media accounts using District resources and following District guidelines¹ to promote communications with students, parents, and the community concerning school-related activities and for the purpose of supplementing classroom instruction. Accessing professional/education social media during school hours is permitted.

Staff are reminded that the same relationship, exchange, interaction, information, or behavior that would be unacceptable in a non-technological medium, is unacceptable when done through the use of technology. In fact, due to the vastly increased potential audience that digital dissemination presents, extra caution must be exercised by staff to ensure they don't cross the line of acceptability. A good rule of thumb for staff to use is, "if you wouldn't say it face-to-face in a group, don't say it online."

Whether permitted or not specifically forbidden by policy, or when expressed in an adult-to-adult, face-to-face context, what in other mediums of expression could remain private opinions, including "likes" or comments that endorse or support the message or speech of another person, when expressed by staff on a social media website, have the potential to be disseminated far beyond the speaker's desire or intention. This could undermine the public's perception of the individual's fitness to interact with students, thus undermining the employee's effectiveness. In this way, the expression and publication of such opinions, could potentially lead to disciplinary action being taken against the staff member, up to and including termination or nonrenewal of the contract of employment.

Staff who are employed by the district as a teacher under a waiver from licensure should be aware that, in addition to the restrictions on inappropriate interactions with students and dissemination of information under this policy, they are required to follow the Division of Elementary and Secondary Education (DESE) Rules Governing The Code Of Ethics For Arkansas Educators. Violations of this policy that would also violate the Code of Ethics for Arkansas Educators may result in the filing of an ethics complaint with DESE.²

Accessing social media websites for personal use during school hours is prohibited, except during breaks or preparation periods. Staff are discouraged from accessing social media websites on personal equipment during their breaks and/or preparation periods because, while this is not prohibited, it may give the public the appearance that such access is occurring during instructional time. Except when expressly authorized by the employee's job duties, staff shall not access social media websites using district equipment at any time, including during breaks or preparation periods, except in an emergency situation or with the express prior permission of school administration. Except when expressly authorized by the District employee's job duties and when District procedures have been followed, all school district employees who participate in social media websites shall not post any school district data, documents, photographs taken at school or of students, logos, or other district owned or created information on any website. Further, the posting of any private or confidential school district material on such websites is strictly prohibited. The posting of prohibited material or posting without following proper procedures may result in disciplinary action against the District employee, up to and including termination or non-renewal.

Specifically, the following forms of technology based interactivity or connectivity are expressly permitted or forbidden:³

Privacy of Employee's Social Media Accounts

In compliance with A.C.A. § 11-2-124, the District shall not require, request, suggest, or cause a current or prospective employee to:

1. Disclose the username and/or password to his/her personal social media account;
2. Add an employee, supervisor, or administrator to the list of contacts associated with his/her personal social media account;
3. Change the privacy settings associated with his/her personal social media account; or
4. Retaliate against the employee for refusing to disclose the username and/or password to his/her personal social media account.

The District may require an employee to disclose his or her username and/or password to a personal social media account if the employee's personal social media account activity is reasonably believed to be relevant to the investigation of an allegation of an employee violating district policy; local laws; state laws and rules; or federal laws and regulations. If such an investigation occurs, and the employee refuses, upon request, to supply the username and/or password required to make an investigation, disciplinary action may be taken against the employee, which could include termination or nonrenewal of the employee's contract of employment with the District.

Notwithstanding any other provision in this policy, the District reserves the right to view any information about a current or prospective employee that is publicly available on the Internet.

In the event that the district inadvertently obtains access to information that would enable the district to have access to an employee's personal social media account, the district will not use this information to gain access to the employee's social media account. However, disciplinary action may be taken against an employee in accord with other District policy for using district equipment or network capability to access such an account. Employees have no expectation of privacy in their use of District issued computers, other electronic device, or use of the District's network. (See policy 8.22—**CLASSIFIED PERSONNEL COMPUTER USE POLICY**)

LENGTH OF CONTRACT

The working hours of classified employees may vary as follows: seven (7) hours per day, or eight (8) hours per day. Nine (9) months, ten (10) months, or twelve (12) months. However, some practices are common to all classified employees.

1. All are expected to be at work by the designated time.
2. All are expected to put in their required time each and every day. Employees are not allowed to leave early without permission.

CLASSIFIED PERSONNEL CONTRACT RETURN

An employee shall have thirty (30) days from the date of the receipt of his contract for the following school year in which to return the contract, signed, to the office of the Superintendent. The date of receipt of the contract shall be presumed to be the date of a cover memo, which will be attached to the contract.

Failure of an employee to return the signed contract to the office of the Superintendent within thirty (30) days of the receipt of the contract shall operate as a resignation by the employee. No further action on the part of the

employee, the Superintendent, or the School Board shall be required in order to make the employee's resignation final.

CLASSIFIED PERSONNEL EMPLOYMENT

All prospective employees must fill out an application form provided by the District, in addition to any resume provided; all of the information provided is to be placed in the personnel file of those employed.

If the employee provides false or misleading information, or if he/she withholds information to the same effect, it may be grounds for dismissal. In particular, it will be considered a material misrepresentation and grounds for termination of contract of employment if an employee's application information is discovered to be other than as was represented by the employee, either in writing on application materials or in the form of representations made to the school district.

It is grounds for termination of contract of employment if an employee fails a criminal background check or receives a true report on the Child Maltreatment Central Registry check.¹ All classified employees shall complete, at District expense, a criminal records background check and Child Maltreatment Central Registry check at least one (1) time every five (5) years.

An employee who receives notification of a failure to pass a criminal background check or a true result on the Child Maltreatment Central Registry check shall have thirty (30) days following the notification to submit to the superintendent, or designee, a written request for a hearing before the Board to request a waiver. The written request should include any documentation, such as police reports, or other materials that are related to the event giving rise to the failed background check or true result on the Child Maltreatment Registry as well as information supporting your request for the waiver. Employees requesting a board hearing to request a waiver should be aware that this hearing is subject to the Arkansas Freedom of Information Act and it must be fully open to the public as a result.

For unlicensed individuals employed as teachers or administrators under a waiver, all teachers who begin employment in the 2023-2024 school year and each school year thereafter shall demonstrate proficiency or awareness in knowledge and practices in scientific reading instruction as is applicable to their teaching position by completing the prescribed proficiency or awareness in knowledge and practices of the scientific reading instruction credential either as a condition of licensure or within one (1) year for teachers who are already licensed or employed as a teacher under a waiver from licensure.²

Before the superintendent may make a recommendation to the Board that an individual be hired by the District, the superintendent shall check the Arkansas Educator Licensure System to determine if the individual has a currently suspended or revoked teaching license or a current Level 3 or Level 4 public notification of ethics violation. An individual with a currently suspended license or whose license has been revoked by the State Board of Education is not eligible to be employed by the District; this prohibition includes employment as a substitute teacher, whether directly employed by the District or providing substitute teaching services under contract with an outside entity. An individual with a current Level 3 or Level 4 public notification of ethics violation shall not be recommended for employment by the District.

The District is an equal opportunity employer and shall not discriminate on the grounds of race, color, religion, national origin, sex, pregnancy, sexual orientation, gender identity, age, disability, or genetic information.³

Inquiries on non-discrimination may be directed to Superintendent's office, who may be reached at 870-297-8339.

Any person may report sex discrimination, including sexual harassment, to the Title IX Coordinator in person or by using the mailing address, telephone number, or email address provided above. A report may be made at any time, including during non-business hours, and may be on the individual's own behalf or on behalf of another individual who is the person alleged to be the victim of conduct that could constitute sex discrimination or sexual harassment.

For further information on notice of non-discrimination or to file a complaint, visit <https://www2.ed.gov/about/offices/list/ocr/complaintintro.html>; for the address and phone number of the office that serves your area, or call 1-800-421-3481.

In accordance with Arkansas law⁶, the District provides a veteran preference to applicants who qualify for one of the following categories:

1. A veteran without a service-connected disability;
2. A veteran with a service-connected disability; and
3. A deceased veteran's spouse who is unmarried throughout the hiring process.

For purposes of this policy, "veteran" is defined as:

- a. A person honorably discharged from a tour of active duty, other than active duty for training only, with the armed forces of the United States; or
- b. Any person who has served honorably in the National Guard or reserve forces of the United States for a period of at least six (6) years, whether or not the person has retired or been discharged.

In order for an applicant to receive the veteran's preference, the applicant must be a citizen and resident of Arkansas, be substantially equally qualified as other applicants and do all of the following:

1. Indicate on the employment application the category the applicant qualifies for;
2. Attach the following documentation, **as applicable**, to the employment application:
 - Form DD-214 indicating honorable discharge;
 - A letter dated within the last six months from the applicant's command indicating years of service in the National Guard or Reserve Forces as well as the applicant's current status;
 - Marriage license;
 - Death certificate;
 - Disability letter from the Veteran's Administration (in the case of an applicant with a service-related disability).

Failure of the applicant to comply with the above requirements shall result in the applicant not receiving the veteran preference; in addition, meeting the qualifications of a veteran or spousal category does not guarantee either an interview or being hired.

CLASSIFIED PERSONNEL REIMBURSEMENT OF TRAVEL EXPENSE

The maximum reimbursement for meals is \$40.00 per day.

CLASSIFIED PERSONNEL WORKPLACE INJURIES AND WORKERS' COMPENSATION

The district provides Workers' Compensation (WC) Insurance, as required by law. Employees who sustain **any** injury at work must immediately notify their immediate supervisor, or in the absence of their immediate supervisor notify an administrator. An injured employee must fill out a Form N and the employee's supervisor will determine whether to report the claim or to file the paperwork if the injury requires neither medical treatment or lost work time. While many injuries will require no medical treatment or time lost at work, should the need for treatment arise later, it is important that there be a record that the injury occurred. All employees have a duty to provide information and make statements as requested for the purposes of the claim assessment and investigation.

The District may discipline an employee, up to and including termination of the employee's contract, if it is discovered that the employee:

1. Deliberately made false statements concerning the origin of an injury or the circumstances surrounding the injury;
or

2. submitted a WC claim that the employee knew to be based substantially or entirely on false information.
An employee shall not be disciplined solely because the District's WC carrier denied the employee's WC claim.

For injuries requiring medical attention, the district will exercise its right to designate the initial treating physician and an injured employee will be directed to seek medical attention, if necessary, from a specific physician or clinic. In addition, employees whose injuries require medical attention shall submit to a drug test, which shall be paid at the District's WC carrier's expense. Failure for the employee to submit to the drug test or a confirmed positive drug test indicating the use of illegal substances or the misuse of prescription medications shall be grounds for the denial of WC benefits.²

A WC absence may run concurrently with FMLA leave (policy 8.23) when the injury is one that meets the criteria for a serious health condition. To the extent that WC benefits and FMLA leave run concurrently, the employee will be charged for any paid leave accrued by the employee at the rate necessary to bring the total amount of combined income up to 100% of usual contracted daily rate of pay. If the health care provider treating the employee for the WC injury certifies the

employee is able to return to a "light duty job," but is unable to return to the employee's same or equivalent job, the employee may decline the District's offer of a "light duty job." As a result, the employee may lose his/her WC payments, but for the duration of the employee's FMLA leave, the employee will be paid for the leave to the extent that the employee has accrued applicable leave.

Employees who are absent from work in the school district due to a WC claim may not work at a non-district job until they have returned to full duties at their same or equivalent district job; those who violate this prohibition may be subject to discipline up to and including termination. This prohibition does NOT apply to an employee who has been cleared by his/her doctor to return to "light duty" but the District has no such position available for the employee and the employee's second job qualifies as "light duty".

To the extent an employee has accrued sick leave and a WC claim has been filed, an employee:

- Will be charged for a day's sick leave for all days missed until such time as the WC claim has been approved or denied;
- Whose WC claim is accepted by the WC insurance carrier as compensable and who is absent for eight (8) or more days shall be charged sick leave at the rate necessary, when combined with WC benefits, to bring the total amount of combined income up to 100% of the employee's usual contracted daily rate of pay;

Whose WC claim is accepted by the WC insurance carrier as compensable and is absent for fourteen (14) or more days will be credited back that portion of sick leave for the first seven (7) days of absence that is not necessary to have brought the total amount of combined income up to 100% of the employee's usual contracted gross pay.

CLASSIFIED EMPLOYEES DRUG TESTING

Definitions

"Clearinghouse" means the Federal Motor Carrier Safety Administration Commercial Driver's License Drug and Alcohol Clearinghouse.

"Database" means the Commercial Driver Alcohol and Drug Testing Database of the Office of Driver Services of the Arkansas Department of Finance and Administration.

"Safety-sensitive function" includes:

- a. All time spent inspecting, servicing, and/or preparing the vehicle;
- b. All time spent driving the vehicle;
- c. All time spent loading or unloading the vehicle or supervising the loading or unloading of the vehicle; and
- d. All time spent repairing, obtaining assistance, or remaining in attendance upon a disabled vehicle.

“School Bus” is a motorized vehicle that meets the following requirements:

1. Is designed to carry more than ten (10) passengers;
2. Is privately owned and operated for compensation, or which is owned, leased or otherwise operated by, or for the benefit of the District; and
3. Is operated for the transportation of students from home to school, from school to home, or to and from school events.¹

Scope of Policy

Each person hired for a position that allows or requires the employee to operate a school bus shall meet the following requirements:

1. The employee shall possess a current driver’s license authorizing the individual to operate the size school bus the individual is being hired to drive²;
2. Have undergone a physical examination, which shall include a drug test,³ by a licensed physician or advanced practice nurse within the past two years; and
3. A current valid certification of school bus driver in service training.⁴

Each person’s initial employment for a job entailing a safety-sensitive function is conditioned upon:

- The district receiving a negative drug test result for that employee;⁵
- The employee submitting an electronic authorization through the Clearinghouse for the District to run a full query of the employee’s information in the Clearinghouse; and
- The employee’s signing a written authorization for the District to request information from:
 - The Database;⁶ and
 - Any U.S. Department of Transportation regulated employers who have employed the employee during any period during the two (2) years prior to the date of the employee’s application.

All employees who perform safety-sensitive functions shall annually⁷ submit a written authorization for the District to conduct a limited query of the employee’s information from the Clearinghouse. The District shall perform a limited query of all employees who perform safety-sensitive functions at least once each school year. If the District’s limited query of the Clearinghouse shows that information exists in the Clearinghouse that may prohibit the employee from performing safety-sensitive functions, the District shall conduct a full query of the Clearinghouse on the employee within twenty-four (24) hours of conducting the limited query. If the District is unable to conduct a full query within twenty-four (24) hours due to the twenty-four (24) hours falling on a weekend, holiday, or other day the District is closed or due to the failure of the employee to authorize the District to receive information resulting from the full query of the Clearinghouse, the employee shall not be permitted to perform any safety-sensitive function until the District conducts the full query and the results confirm that the employee’s Clearinghouse record contains no prohibitions on the employee performing safety-sensitive functions.

Methods of Testing

The collection, testing methods and standards shall be determined by the agency or other medical organizations chosen by the School Board to conduct the collection and testing of samples. The drug and alcohol testing is to be conducted by a laboratory certified pursuant to the most recent guidelines issued by the United States Department of Health and Human Services for such facilities (“Mandatory Guidelines for Federal Workplace Drug Testing Programs”).

Requirements

Employees shall be drug and alcohol free from the time the employee is required to be ready to work until the employee is relieved from the responsibility for performing work and/or any time they are performing a safety-sensitive function. In addition to the testing required as an initial condition of employment, employees shall submit to subsequent drug tests as required by law and/or regulation. Subsequent testing includes, and/or is triggered by, but is not limited to:

1. Random tests;
2. Testing in conjunction with an accident;

3. Receiving a citation for a moving traffic violation; and
4. Reasonable suspicion.

Prohibitions

- A. No driver shall report for duty or remain on duty requiring the performance of safety-sensitive functions while having an alcohol concentration of 0.04 or greater;
- B. No driver shall use alcohol while performing safety-sensitive functions;
- C. No driver shall perform safety-sensitive functions within four (4) hours after using alcohol;
- D. No driver required to take a post-accident alcohol test under # 2 above shall use alcohol for eight (8) hours following the accident or until he/she undergoes a post-accident alcohol test, whichever occurs first;
- E. No driver shall refuse to submit to an alcohol or drug test in conjunction with # 1, 2, and/or 4 above;
- F. No driver shall report for duty or remain on duty requiring the performance of safety-sensitive functions when using any controlled substance, except when used pursuant to the instructions of a licensed medical practitioner who, with knowledge of the driver's job responsibilities, has advised the driver that the substance will not adversely affect the driver's ability to safely operate his/her vehicle. It is the employee's responsibility to inform his/her supervisor of the employee's use of such medication;
- G. No driver shall report for duty, remain on duty, or perform a safety-sensitive function if the driver tests positive or has adulterated or substituted a test specimen for controlled substances.

Violation of any of these prohibitions may lead to disciplinary action being taken against the employee, which could include termination or non-renewal.

Testing for Cause

Drivers involved in an accident in which there is a loss of another person's life shall be tested for alcohol and controlled substances as soon as practicable following the accident. Drivers shall also be tested for alcohol within eight (8) hours and for controlled substances within thirty two (32) hours following an accident for which they receive a citation for a moving traffic violation if the accident involved: 1) bodily injury to any person who, as a result of the injury, immediately receives medical treatment away from the scene of the accident, or 2) one or more motor vehicles incurs disabling damage as a result of the accident requiring the motor vehicle to be transported away from the scene by a tow truck or other motor vehicle.⁸

Refusal to Submit

Refusal to submit to an alcohol or controlled substance test means that the driver:

- Failed to appear for any test within a reasonable period of time as determined by the employer consistent with applicable Department of Transportation agency regulation;
- Failed to remain at the testing site until the testing process was completed;
- Failed to provide a urine specimen for any required drug test;
- Failed to provide a sufficient amount of urine without an adequate medical reason for the failure;
- Failed to undergo a medical examination as directed by the Medical Review Officer as part of the verification process for the previous listed reason;
- Failed or declined to submit to a second test that the employer or collector has directed the driver to take;
- Failed to cooperate with any of the testing process; and/or
- Adulterated or substituted a test result as reported by the Medical Review Officer.

School bus drivers should be aware that refusal to submit to a drug test when the test is requested based on a reasonable suspicion can constitute grounds for criminal prosecution.

Consequences for Violations

Drivers who engage in any conduct prohibited by this policy, who refuse to take a required drug or alcohol test, refuse to sign the request for information required by law, or who exceed the acceptable limits for the respective tests shall no

longer be allowed to perform safety sensitive functions. Actions regarding their continued employment shall be taken in relation to their inability to perform these functions and could include termination or non-renewal of their contract of employment.⁹

Drivers who exhibit signs of violating the prohibitions of this policy relating to alcohol or controlled substances shall not be allowed to perform or continue to perform safety-sensitive functions if they exhibit those signs during, just preceding, or just after the period of the work day that the driver is required to be in compliance with the provisions of this policy. This action shall be based on specific, contemporaneous, articulatable observations concerning the behavior, speech, or body odors of the driver. The Superintendent or his/her designee shall require the driver to submit to “reasonable suspicion” tests for alcohol and controlled substances. The direction to submit to such tests must be made just before, just after, or during the time the driver is performing safety-sensitive functions. If circumstances prohibit the testing of the driver the Superintendent or his/her designee shall remove the driver from reporting for, or remaining on, duty for a minimum of twenty-four (24) hours from the time the observation was made triggering the driver’s removal from duty.

If the results for an alcohol test administered to a driver is equal to or greater than 0.02, but less than 0.04, the driver shall be prohibited from performing safety-sensitive functions for a period no less than twenty-four (24) hours from the time the test was administered. Unless the loss of duty time triggers other employment consequence policies, no further other action against the driver is authorized by this policy for test results showing an alcohol concentration of less than 0.04.

Reporting Requirements

The District shall report the following information about an employee who performs safety-sensitive functions to the Clearinghouse by the close of the third (3rd) business day following the date the District obtained the information:¹⁰

1. An alcohol confirmation test result with an alcohol concentration of 0.04 or greater;
2. A negative return-to-duty test result;
3. A refusal to take an alcohol test;
4. A refusal to test determination; however, if the refusal to test determination is based on the employee’s admission of adulteration or substitution of the specimen, the District shall only report the admissions made to the specimen collector; and
5. A report that the driver has successfully completed all follow-up tests as prescribed in the Substance Abuse Professional report.

The District shall report the following violations for an employee who performs safety-sensitive functions by the close of the third (3rd) business day following the date the District obtains actual knowledge of:¹¹

1. On-duty alcohol use;
2. Pre-duty alcohol use;
3. Alcohol use following an accident; and
4. Controlled substance use.

Thereafter, employees shall earn two (2) weeks’ vacation each year non-cumulative. Twelve (12) month employees who receive two (2) weeks of vacation shall have the option to be paid for unused vacation days up to three (3) days at the daily rate of pay or roll the three (3) days into their sick leave.

2. Only upon retirement from Arkansas Teacher Retirement System or Social Security Administration may a classified employee receive compensation for each unused sick day earned in consecutive years in this District prior to retirement at the current classified substitute daily rate for each unused sick leave day accumulated in this District up to a maximum of \$5,000. Employee must have been employed with district for 6 consecutive years. If an employee is a member of the sick bank, the excess days not getting paid for can be donated to the sick bank.
3. Employees may use sick leave for childbirth or adoption. Additional leave may be applied for under the Family and Medical Leave Act*.
4. An employee planning to be absent should notify the immediate supervisor in advance. If an emergency arises, employees must notify immediate supervisor as soon as possible.
5. District employees who are husband and wife may utilize each other's sick days.
6. In an effort to reduce employee absenteeism, personal days shall not be used preceding or following non-attendance days and the district may require a written statement from the employee's physician if they are absent on these days due to illness.

FUNERAL LEAVE: Three days paid funeral leave shall be granted by the district for immediate family, or other approved by the building administrators. Funeral leave is not covered under sick leave. The Superintendent or his /her designee may extend such leave in certain circumstances to allow a reasonable time to return to the district. Funeral leave is not cumulative from year to year.

PERSONNEL FAMILY MEDICAL LEAVE

Eligibility

The Calico Rock School District will grant up to twelve (12) weeks of leave in accordance with the Family Medical Leave Act of 1993 (FMLA) to its employees who have been employed by the District for at least twelve (12) months and for 1250 hours of service during the twelve (12) month period immediately preceding the commencement of the leave. The twelve (12) month period of eligibility shall begin on the first duty day of the school year. Leave will be granted for one or more of the following reasons:

1. Because of the birth of a son or daughter of the employee and in order to care for such son or daughter;
2. Because of the placement of a son or daughter with the employee for adoption or foster care;
3. In order to care for the spouse, or a son, daughter, or parent, of the employee, if such spouse, son, daughter, or parent has a serious health condition; and
4. Because of a serious health condition that makes the employee unable to perform the functions of the position of such employee.

The entitlement to leave for reasons 1 and 2 listed above shall expire at the end of the twelve (12) month period beginning on the date of such birth or placement.

If both the husband and wife are employed by the district and entitled to leave as defined above, the District may, as determined by the needs of the District, limit their leave to a combined total of twelve (12) weeks when taken for reasons 1 or 2 listed above or to care for a parent with a serious health condition.

Notice by Employees

Foreseeable: When the need for leave is foreseeable, the employee must provide the District with at least thirty (30) days advance notice before the leave is to begin. If thirty (30) days is not practicable, such as because of a lack of knowledge of approximately when the leave will be required to begin, notice must be given as soon as possible.

When the need for leave is for reasons 3 or 4 listed above, the employee should provide a medical certification from a health care provider supporting the need for leave at the time the notice for leave is given, but must provide certification at least fifteen (15) days prior to the date the leave is to begin.

Failure by the employee to give thirty (30) days' notice may delay the taking of FMLA leave until at least thirty (30) days after the date the employee provides notice to the District.

Unforeseeable: When the approximate timing of the need for leave is not foreseeable, an employee shall provide the District notice of the need for leave as soon as practicable given the facts and circumstances of the particular case. Ordinarily, the employee shall notify the District within two (2) working days of learning of the need for leave, except in extraordinary circumstances where such notice is not feasible. Notice may be provided in person, by telephone, telegraph, fax, or other electronic means.

Medical Certification

The required medical certification from a licensed, practicing health care provider of the need for FMLA leave for reasons 3 or 4 listed above shall include the date on which the serious health condition began, the probable duration of the condition, and the appropriate medical facts within the knowledge of the health care provider regarding the condition. For reason 4 listed above, the certification must include a statement that the employee is unable to perform the required functions of his/her position.

Second Opinion: In any case where the District has reason to doubt the validity of the certification provided, the District may require, at its expense, the employee to obtain the opinion of a second health care provider designated or approved by the

employer. If the second opinion differs from the first, the District may require, at its expense, the employee to obtain a third opinion from a health care provider agreed upon by both the District and the employee. The opinion of the third health care provider shall be considered final and be binding upon both the District and the employee.

Recertification: The District may request the employee obtain a recertification, at the employee's expense, no more often than every thirty (30) days unless one or more of the following circumstances apply;

- a. The employee requests an extension of leave;
- b. Circumstances described by the previous certification have changed significantly; and/or
- c. The District receives information that casts doubt upon the continuing validity of the certification.

The employee must provide the recertification in no more than fifteen (15) calendar days after the District's request.

No second or third opinion on recertification may be required.

Concurrent Leave

The District requires employees to substitute any applicable accrued leave for any part of the twelve (12) week period of FMLA leave. All FMLA leave is unpaid unless substituted by applicable accrued leave.

Workers Compensation: FMLA leave may run concurrently with a workers' compensation absence when the injury is one that meets the criteria for a serious health condition.

Health Insurance Coverage

The District shall maintain coverage under any group health plan for the duration of FMLA leave the employee takes at the level and under the conditions coverage would have been provided if the employee had continued in active employment with the District. The employee remains responsible for any portion of premium payments customarily paid

by the employee. When on unpaid FMLA leave, it is the employee's responsibility to submit their portion of the cost of the group health plan coverage to the District's business office on or before it would be made by payroll deduction.

If an employee gives unequivocal notice of intent not to return to work, or if the employment relationship would have terminated if the employee had not taken FMLA leave the district's obligation to maintain health benefits ceases.

If the employee fails to return from leave after the period of leave to which the employee was entitled has expired, the District may recover the premiums it paid to maintain health care coverage unless:

- a. The employee fails to return to work due to the continuation, reoccurrence, or onset of a serious health condition that entitles the employee to leave under reasons 3 or 4 listed above; and/or
- b. Other circumstances exist beyond the employee's control.

Circumstances under "a" listed above shall be certified by a licensed, practicing health care provider verifying the employee's inability to return to work.

Reporting Requirements During Leave

Employees shall inform the District every two weeks during FMLA leave of their current status and intent to return to work.

Return to Work

Medical Certification: An employee who has taken FMLA leave under reason 4 stated above shall provide the District with certification from a health care provider that the employee is able to resume work.

Return to Previous Position: An employee returning from FMLA leave is entitled to be returned to the same position the employee held when leave commenced, or to an equivalent position with equivalent benefits, pay, and other terms and conditions of employment. An equivalent position must involve the same or substantially similar duties and responsibilities, which must entail substantially equivalent skill, effort, and authority. The employee may not be restored to a position requiring additional licensure or certification.

Failure to Return to Work: In the event that an employee is unable or fails to return to work, the Superintendent will make a determination at that time regarding the documented need for a severance of the employees contract due to the inability of the employee to fulfill the responsibilities and requirements of their contract.

Intermittent Leave

The District will honor employee requests for intermittent leave as prescribed by the FMLA and that are in the best interests of the District.

Policy

The provisions of this policy are intended to be in line with the provisions of the FMLA. If any conflict(s) exist, the Family Medical Leave Act of 1993 shall govern.

SICK LEAVE BANK

A classified Sick Bank Committee shall be formed (aside from the classified Personnel Policy Committee). The purpose of the committee is to make decisions on who will be granted sick days.

DONATING

Donating days is strictly optional. If you decide to donate, you must submit a form no later than September 15th of current fiscal school year stating that you will donate one (1) day per year. To withdraw from the sick bank, you must write a statement to the Sick Bank Committee stating your withdrawal.

If the sick bank has a minimum of 400 days in the bank, vested members (those who have contributed to the bank for a minimum of 10 years), shall not be required to contribute more days as long as the 400-day minimum is maintained. If the bank falls below the 400-day minimum, the following year all members will contribute a day to the bank, and continue yearly until the 400-day minimum is again reached.

RECEIVING

Days from the sick leave bank may be used by any contributing member in the event of a non-elective surgery, major illness or accident. Normal pregnancies and maternity leave are not qualifying factors for the sick leave bank. The eligibility of the request will be determined by a special committee of contributors elected by participating members and the administration. Participating members must use up accumulated sick days, personal days, and vacation days (12 month employees) before borrowing from the sick leave bank. All requests must be submitted in writing. Medical documentation is required.

No participant shall receive more than 60 days from the sick leave bank in any one (1) fiscal year. The number of days that can be drawn by an individual is subject to availability.

If you want to request extra sick days, you must submit a written letter to the Sick Bank Committee. Granting days is solely up to the committee, and is usually based upon extenuating circumstances.

DRUG-FREE WORKPLACE POLICY

The conduct of district staff plays a vital role in the social and behavioral development of our students. It is equally important that the staff have a safe, healthful, and professional environment in which to work. To help promote both interests, the district shall have a drug free workplace. It is, therefore, the district's policy that district employees are prohibited from the unlawful manufacture, distribution, dispensation, possession, or use of controlled substances, illegal drugs, inhalants, alcohol, as well as inappropriate or illegal use of prescription drugs. Such actions are prohibited both while at work or in the performance of official duties while off district property; violations of this policy will subject the employee to discipline, up to and including termination.

To help promote a drug free workplace, the district shall establish a drug-free awareness program to inform employees about the dangers of drug abuse in the workplace, the district's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance abuse programs, and the penalties that may be imposed upon employees for drug abuse violations. (Insert substance abuse resources here.)¹

Should any employee be found to have been under the influence of, or in illegal possession of, any illegal drug or controlled substance, whether or not engaged in any school or school-related activity, and the behavior of the employee, if under the influence, is such that it is inappropriate for a school employee in the opinion of the superintendent, the employee may be subject to discipline, up to and including termination. This policy also applies to those employees who are under the influence of alcohol while on campus or at school-sponsored functions, including athletic events.

An employee living on campus or on school owned property is permitted to possess alcohol in his/her residence. The employee is bound by the restrictions stated in this policy while at work or performing his/her official duties.

Possession, use or distribution of drug paraphernalia by any employee, whether or not engaged in school or school-related activities, may subject the employee to discipline, up to and including termination. Possession in one's vehicle or in an area subject to the employee's control will be considered to be possession as though the substance were on the employee's person.

It shall not be necessary for an employee to test at a level demonstrating intoxication by any substance in order to be subject to the terms of this policy. Any physical manifestation of being under the influence of a substance may subject an employee to the terms of this policy. Those physical manifestations include, but are not limited to: unsteadiness; slurred speech; dilated or constricted pupils; incoherent and/or irrational speech; or the presence of an odor associated with a prohibited substance on one's breath or clothing.

Should an employee desire to provide the District with the results of a blood, breath or urine analysis, such results will be taken into account by the District only if the sample is provided within a time range that could provide meaningful results and only by a testing agency chosen or approved by the District. The District shall not request that the employee be tested, and the expense for such voluntary testing shall be borne by the employee.

Any incident at work resulting in injury to the employee requiring medical attention shall require the employee to submit to a drug test, which shall be paid at district expense. Failure for the employee to submit to the drug test or a confirmed positive drug test indicating the use of illegal substances or the misuse of prescription medications shall be grounds for the denial of worker's compensation benefits in accordance with policy 3.44—LICENSED PERSONNEL WORKPLACE INJURIES AND WORKERS' COMPENSATION.²

Any employee who is charged with a violation of any state or federal law relating to the possession, use or distribution of illegal drugs, other controlled substances or alcohol, or of drug paraphernalia, must notify his/her immediate supervisor

within five (5) week days (i.e., Monday through Friday, inclusive, excluding holidays) of being so charged. The supervisor who is notified of such a charge shall notify the Superintendent immediately.

If the supervisor is not available to the employee, the employee shall notify the Superintendent within the five (5) day period.

Any employee so charged is subject to discipline, up to and including termination. However, the failure of an employee to notify his or her supervisor or the Superintendent of having been so charged shall result in that employee being recommended for termination by the Superintendent.

Any employee convicted of any criminal drug statute violation for an offense that occurred while at work or in the performance of official duties while off district property shall report the conviction within 5 calendar days to the superintendent. Within 10 days of receiving such notification, whether from the employee or any other source, the district shall notify federal granting agencies from which it receives funds of the conviction. Compliance with these requirements and prohibitions is mandatory and is a condition of employment.

Any employee convicted of any state or federal law relating to the possession, use or distribution of illegal drugs, other controlled substances, or of drug paraphernalia, shall be recommended for termination.

Any employee who must take prescription medication at the direction of the employee's physician, and who is impaired by the prescription medication such that he/she cannot properly perform his/her duties shall not report for duty. Any employee who reports for duty and is so impaired, as determined by his/her supervisor, will be sent home. The employee shall be given sick leave, if owed any. The District or employee will provide transportation for the employee, and the employee may not leave campus while operating any vehicle. It is the responsibility of the employee to contact his/her physician in order to adjust the medication, if possible, so that the employee may return to his/her job unimpaired. Should

the employee attempt to return to work while impaired by prescription medications, for which the employee has a prescription, he/she will, again, be sent home and given sick leave, if owed any. Should the employee attempt to return to work while impaired by prescription medication a third time the employee may be subject to discipline, up to and including a recommendation of termination.

Any employee who possesses, uses, distributes or is under the influence of a prescription medication obtained by a means other than his/her own current prescription shall be treated as though he was in possession, possession with intent to deliver, or under the influence, etc. of an illegal substance. An illegal drug or other substance is one which is (a) not legally obtainable; or (b) one which is legally obtainable, but which has been obtained illegally. The District may require an employee to provide proof from his/her physician and/or pharmacist that the employee is lawfully able to receive such medication. Failure to provide such proof, to the satisfaction of the Superintendent, may result in discipline, up to and including a recommendation of termination.

A report to the appropriate licensing agency shall be filed within seven (7) days of:

- 1) A final disciplinary action taken against an employee resulting from the diversion, misuse, or abuse of illicit drugs or controlled substances; or
- 2) The voluntary resignation of an employee who is facing a pending disciplinary action resulting from the diversion, misuse, or abuse of illicit drugs or controlled substances.

The report filed with the licensing authority shall include, but not be limited to:

- The name, address, and telephone number of the person who is the subject of the report; and
- A description of the facts giving rise to the issuance of the report.

When the employee is not a healthcare professional, law enforcement will be contacted regarding any final disciplinary action taken against an employee for the diversion of controlled substances to one (1) or more third parties.

GRIEVANCE PROCEDURE

The purpose of this policy is to provide an orderly process for employees to resolve, at the lowest possible level, their concerns related to the personnel policies or salary payments of this district.

Definitions

Grievance: a claim or concern related to the interpretation, application, or claimed violation of the personnel policies, including salary schedules, federal or state laws and regulations, or terms or conditions of employment, raised by an individual employee of this school district. Other matters for which the means of resolution are provided or foreclosed by statute or administrative procedures shall not be considered grievances. Specifically, no grievance may be entertained against a supervisor for directing, instructing, reprimanding, or “writing up” an employee under his/her supervision. A group of employees who have the same grievance may file a group grievance.

Group Grievance: A grievance may be filed as a group grievance if it meets the following criteria: (meeting the criteria does not ensure that the subject of the grievance is, in fact, grievable)

1. More than one individual has interest in the matter; and
2. The group has a well-defined common interest in the facts and/or circumstances of the grievance; and
3. The group has designated an employee spokesperson to meet with administration and/or the board; and
4. All individuals within the group are requesting the same relief.

Employee: any person employed under a written contract by this school district.

Immediate Supervisor: the person immediately superior to an employee who directs and supervises the work of that employee.

Working day: Any weekday other than a holiday whether or not the employee under the provisions of their contract is scheduled to work or whether they are currently under contract.

Process

Level One: An employee who believes that he/she has a grievance shall inform that employee’s immediate supervisor that the employee has a potential grievance and discuss the matter with the supervisor within five working days of the occurrence of the grievance. The supervisor shall offer the employee an opportunity to have a witness or representative who is not a member of the employee’s immediate family present at their conference. (The five-day requirement does not apply to grievances concerning back pay.) If the grievance is not advanced to Level Two within five working days following the conference, the matter will be considered resolved and the employee shall have no further right with respect to said grievance.

If the grievance cannot be resolved by the immediate supervisor, the employee can advance the grievance to Level Two. To do this, the employee must complete the top half of the Level Two Grievance Form within five working days of the discussion with the immediate supervisor, citing the manner in which the specific personnel policy was violated that has given rise to the grievance, and submit the Grievance Form to his/her immediate supervisor. The supervisor will have ten working days to respond to the grievance using the bottom half of the Level Two Grievance Form which he/she will submit to the building principal or, in the event that the employee’s immediate supervisor is the building principal, the superintendent.

Level Two (when appeal is to the building principal): Upon receipt of a Level Two Grievance Form, the building principal will have ten working days to schedule a conference with the employee filing the grievance. The principal shall offer the employee an opportunity to have a witness or representative who is not a member of the employee’s immediate family present at their conference. After the conference, the principal will have ten working days in which to deliver a written response to the grievance to the employee. If the grievance is not advanced to Level Three within five working days the matter will be considered resolved and the employee shall have no further right with respect to said grievance.

Level Two (when appeal is to the superintendent): Upon receipt of a Level Two Grievance Form, the superintendent will have ten working days to schedule a conference with the employee filing the grievance. The superintendent shall offer the employee an opportunity to have a witness or representative who is not a member of the employee's immediate family present at their conference. After the conference, the superintendent will have ten working days in which to deliver a written response to the grievance to the employee.

Level Three: If the proper recipient of the Level Two Grievance was the building principal, and the employee remains unsatisfied with the written response to the grievance, the employee may advance the grievance to the superintendent by submitting a copy of the Level Two Grievance Form and the principal's reply to the superintendent within five working days of his/her receipt of the principal's reply. The superintendent will have ten working days to schedule a conference with the employee filing the grievance. The superintendent shall offer the employee an opportunity to have a witness or representative who is not a member of the employee's immediate family present at their conference. After the conference, the superintendent will have ten working days in which to deliver a written response to the grievance to the employee.

Appeal to the Board of Directors: An employee who remains unsatisfied by the written response of the superintendent may appeal the superintendent's decision to the Board of Education within five working days of his/her receipt of the Superintendent's written response by submitting a written request for a board hearing to the superintendent. If the grievance is not appealed to the Board of Directors within five working days of his/her receipt of the superintendent's response, the matter will be considered resolved and the employee shall have no further right with respect to said grievance.

The school board will address the grievance at the next regular meeting of the school board, unless the employee agrees in writing to an alternate date for the hearing. After reviewing the Level Two Grievance Form and the superintendent's reply, the board will decide if the grievance, on its face, is grievable under district policy. If the grievance is presented as a "group grievance," the Board shall first determine if the composition of the group meets the definition of a "group grievance." If the Board determines that it is a group grievance, the Board shall then determine whether the matter raised is grievable. If the Board rules the composition of the group does not meet the definition of a group grievance, or the grievance, whether group or individual, is not grievable, the matter shall be considered closed. (Individuals within the disallowed group may choose to subsequently refile their grievance as an individual grievance beginning with Level One of the process.) If the Board rules the grievance to be grievable, they shall immediately commence a hearing on the grievance. All parties have the right to representation by a person of their own choosing who is not a member of the employee's immediate family at the appeal hearing before the Board of Directors. The employee shall have no less than 90 minutes to present his/her grievance and both parties shall have the opportunity to present and question witnesses. The hearing shall be open to the public unless the employee requests a private hearing. If the hearing is open, the parent or guardian of any student under the age of eighteen years who gives testimony may elect to have the student's testimony given in closed session. At the conclusion of the hearing, if the hearing was closed, the Board of Directors may excuse all parties except board members and deliberate, by themselves, on the hearing. At the conclusion of an open hearing, board deliberations shall also be in open session unless the board is deliberating the employment, appointment, promotion, demotion, disciplining, or resignation of the employee. A decision on the grievance shall be announced no later than the next regular board meeting.

Records

Records related to grievances will be filed separately and will not be kept in, or made part of, the personnel file of any employee.

Reprisals

No reprisals of any kind will be taken or tolerated against any employee because he/she has filed or advanced a grievance under this policy.

CLASSIFIED PERSONNEL REDUCTION IN FORCE

SECTION ONE

The School Board acknowledges its authority to conduct a reduction in force (RIF) when a decrease in enrollment or other reason(s) make such a reduction necessary or desirable. A RIF will be conducted when the need for a reduction in the work force exceeds the normal rate of attrition for that portion of the staff that is in excess of the needs of the district as determined by the superintendent.

In effecting a reduction in force, the primary goals of the school district shall be: what is in the best interests of the students; to maintain accreditation in compliance with the Standards for Accreditation of Arkansas Public Schools and/or the North Central Association; and the needs of the district. A reduction in force will be implemented when the superintendent determines it is advisable to do so and shall be effected through non-renewal, termination, or both. Any reduction in force will be conducted by evaluating the needs and long- and short-term goals of the school district in relation to the staffing of the district.

If a reduction in force becomes necessary, the RIF shall be conducted separately for each occupational category of classified personnel identified within the district on the basis of each employee's years of service. The employee within each occupational category with the least years of experience will be non-renewed first. The employee with the most years of employment in the district as compared to other employees in the same category shall be non-renewed last. In the event that employees within a given occupational category have the same length of service to the district the one with the earlier hire date, based on date of board action, will prevail.

When the District is conducting a RIF, all potentially affected classified employees shall receive a listing of the personnel within their category with corresponding totals of years of service. Upon receipt of the list, each employee has ten (10) working days within which to appeal his or her total years of service to the superintendent whose decision shall be final. Except for changes made pursuant to the appeals process, no changes will be made to the list that would affect an employee's total after the list is released.

Total years of service to the district shall include non-continuous years of service; in other words, an employee who left the district and returned later will have the total years of service counted, from all periods of employment. Working fewer than one hundred sixty (160) days in a school year shall not constitute a year. Length of service in a licensed position shall not count for the purpose of length of service for a classified position.

Except as may occur during a RIF in the District's teaching staff, there is no right or implied right for any employee to "bump" or displace any other employee. When there is a RIF of the District's teaching staff, a teacher with full licensure in a position shall prevail over a teacher with greater points but who is lacking full licensure in that subject area. "Full licensure" means an initial, or standard, non-contingent license to teach in a subject area or grade level, in contrast with a license that is provisional, temporary, or conditional on the fulfillment of additional course work or passing exams or any other requirement of the Division of Elementary and Secondary Education, other than the attainment of annual professional development training; or teaching under a waiver from licensure. The exception for a RIF in the District's teaching staff specifically does not allow a licensed employee who might wish to assume a classified position to displace a classified employee.

Pursuant to any reduction in force brought about by consolidation or annexation and as a part of it, the salaries of all employees will be brought into compliance, by a partial RIF if necessary, with the receiving district's salary schedule. Further adjustments will be made if length of contract or job assignments change.¹ A Partial RIF may also be conducted in conjunction with any job reassignment whether or not it is conducted in relation to an annexation or consolidation.

Recall

Option 2

For a period of up to two (2) years from the date of board action on the classified employee's non-renewal or termination recommendation under this policy, a classified employee shall be offered an opportunity to fill a classified vacancy comparable as to pay, responsibility and contract length to the position from which the employee was non-renewed, and for which he or she is qualified. The non-renewed employee shall be eligible to be recalled for a period of two (2) years in reverse order of the non-renewal to any position for which he or she is qualified. No right of recall shall exist for non-renewal from a stipend, or non-renewal or reduction of a stipend, or non-renewal to reduce contract length.

Notice of vacancies to non-renewed employees shall be by first class mail to all employees reasonably believed to be both qualified for and subject to rehire for a particular position and they shall have ten (10) working days from the date the notification is mailed in which to conditionally accept or reject the offer of a position with the actual offer going to the qualified employee with the most years of service who responds within the ten (10) day time period. A lack of response, as evidenced by an employee's failure to respond within ten (10) working days, or a non-renewed employee's express refusal of an offer of a position or an employee's acceptance of a position but failure to sign an employment contract within two (2) business days of the contract being presented to the employee shall constitute a rejection of the offered position and shall end the district's obligation to rehire the non-renewed employee. No further rights to be rehired because of the reduction in force shall exist.

SECTION TWO

Option A

In the event the district is involved in an annexation or consolidation, employees from all the districts involved will be ranked according to years of service. A year of employment at an annexed or consolidated district will be counted the same as a year at the receiving or resulting district. No credit for years of service will be given at other public or private schools, or for higher education or Educational Service Cooperative employment.

10. Employees serving on jury duty and other required legal duty shall be paid full salary. However, all salary or per diem monies paid to the employee serving on the jury or legal duty must be returned to the District to avoid double payment. This policy is in keeping with the jury commission recommendation. All expenses incurred involving travel, food, and lodging are the responsibility of the employee serving on legal duty. Any remuneration by the court for such expense may be kept by the employee.
11. An employee whose absence is covered under the Workman's Compensation, Act 223 of 1971, shall report any loss of the time and compensation received. This amount shall be deducted from the contracted salary of the employee.

CLASSIFIED PERSONNEL SEXUAL HARASSMENT

The Calico Rock School District is committed to providing an academic and work environment that treats all students and employees with respect and dignity. Student achievement and amicable working relationships are best attained in an atmosphere of equal educational and employment opportunity that is free of discrimination. Sexual harassment is a form of discrimination that undermines the integrity of the educational and work environment and will not be tolerated.

The District believes the best policy to create an educational and work environment free from sexual harassment is prevention; therefore, the District shall provide informational materials and training to students, parents/legal guardians/other responsible adults, and employees on sexual harassment. The informational materials and training on sexual harassment shall be age appropriate and, when necessary, provided in a language other than English or in an accessible format. The informational materials and training shall include, but are not limited to:

- The nature of sexual harassment;
- The District's written procedures governing the formal complaint grievance process;¹
- The process for submitting a formal complaint of sexual harassment;
- That the district does not tolerate sexual harassment;
- That students and employees can report inappropriate behavior of a sexual nature without fear of adverse consequences;
- The supports that are available to individuals suffering sexual harassment; and
- The potential discipline for perpetrating sexual harassment.

 - b. Uses the rejection of unwelcome sexual conduct as the basis for academic decisions affecting that individual;

2. The conduct is:
 - a. Unwelcome; and

Examples of supportive measures include, but are not limited to: measures designed to protect the safety of all parties or the District's educational environment, or deter sexual harassment; counseling; extensions of deadlines or other course-related adjustments; modifications of work or class schedules; campus escort services; mutual restrictions on contact between the parties; changes in work or class locations; leaves of absence; and increased security and monitoring of certain areas of the campus.

Within the educational environment, sexual harassment is prohibited between any of the following: students; employees and students; non-employees and students; employees; and employees and non-employees.

Actionable sexual harassment is generally established when an individual is exposed to a pattern of objectionable behaviors or when a single, serious act is committed. What is, or is not, sexual harassment will depend upon all of the surrounding circumstances and may occur regardless of the sex(es) of the individuals involved. Depending upon such circumstances, examples of sexual harassment include, but are not limited to:

- Making sexual propositions or pressuring for sexual activities;
- Unwelcome touching;
- Writing graffiti of a sexual nature;

Employees who believe they have been subjected to sexual harassment are encouraged to submit a report to their immediate supervisor, an administrator, or the Title IX coordinator. Under no circumstances shall an employee be required to first report allegations of sexual harassment to a school contact person if that person is the individual who is accused of the sexual harassment. If the District staff member who received a report of alleged sexual harassment is not the Title IX Coordinator, then the District staff person shall inform the Title IX Coordinator of the alleged sexual harassment. As soon as reasonably possible after receiving a report of alleged sexual harassment from another District staff member or after receiving a report directly through any means, the Title IX Coordinator shall contact the complainant to:

- Discuss the availability of supportive measures;
- Consider the complainant’s wishes with respect to supportive measures;
- Inform the complainant of the availability of supportive measures with or without the filing of a formal complaint; and
- explain to the complainant the process for filing a formal complaint.

Supportive Measures

The District shall offer supportive measures to the complainant and make supportive measures available to the respondent that are designed to restore or preserve equal access to the District’s education program or activity without unreasonably burdening the other party before or after the filing of a formal complaint or where no formal complaint has been filed. The District shall provide the individualized supportive measures to the complainant unless declined in writing by the complainant and shall provide individualized supportive measures that are non-disciplinary and non-punitive to the respondent. A complainant who initially declined the District’s offer of supportive measures may request supportive measures at a later time and the District shall provide individualized supportive measures based on the circumstances when the subsequent request is received.

Formal Complaint

A formal complaint may be filed with the Title IX Coordinator in person, by mail, or by email. Upon receipt of a formal complaint, a District shall simultaneously provide the following written notice to the parties who are known:

- Notice of the District’s grievance process and a copy of the procedures governing the grievance process;
- Notice of the allegations of sexual harassment including sufficient details known at the time and with sufficient time to prepare a response before any initial interview. Sufficient details include:
 - ✚ The identities of the parties involved in the incident, if known;
 - ✚ The conduct allegedly constituting sexual harassment; and
 - ✚ The date and location of the alleged incident, if known;
- A statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the grievance process;
- That the parties may have an advisor of their choice, who may be, but is not required to be, an attorney;
- That the parties may inspect and review evidence relevant to the complaint of sexual harassment; and
- That the District’s personnel policies and code of conduct prohibits knowingly making false statements or knowingly submitting false information during the grievance process.

If, in the course of an investigation, the District decides to investigate allegations about the complainant or respondent that are not included in the previous notice, the District shall simultaneously provide notice of the additional allegations to the parties whose identities are known.

The District may consolidate formal complaints of allegations of sexual harassment where the allegations of sexual harassment arise out of the same facts or circumstances and the formal complaints are against more than one respondent; or by more than one complainant against one or more respondents; or by one party against the other party. When the District has consolidated formal complaints so that the grievance process involves more than one complainant or more than one respondent, references to the singular “party”, “complainant”, or “respondent” include the plural, as applicable.

When investigating a formal complaint and throughout the grievance process, a District shall:

- Ensure that the burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility rest on the District and not on the parties;
- Not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege or access, consider, disclose, or otherwise use a party’s records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in the professional’s or paraprofessional’s capacity, or assisting in that capacity, and which are made and maintained in connection with the provision of treatment to the party unless the District obtains the

parent, legal guardian, or other responsible adult of that party's voluntary, written consent or that party's voluntary, written consent if the party is over the age of eighteen (18) to do so for the grievance process;

- Provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence;
- Not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence;
- Provide the parties with the same opportunities to have others present during any grievance proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney, and not limit the choice or presence of advisor for either the complainant or respondent in any meeting or grievance proceeding;
- Provide, to a party whose participation is invited or expected, written notice of the date, time, location, participants, and purpose of all hearings, investigative interviews, or other meetings, with sufficient time for the party to prepare to participate;
- Provide both parties an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in the formal complaint so that each party can meaningfully respond to the evidence prior to the conclusion of the investigation ; this includes evidence:
 - Whether obtained from a party or other source,;
 - The District does not intend to rely upon in reaching a determination regarding responsibility; and
 - That is either Inculpatory or exculpatory; and
- Create an investigative report that fairly summarizes relevant evidence.

The parties shall have at least ten (10)³ days to submit a written response to the evidence. The investigator will consider the written responses prior to completion of the investigative report. All evidence subject to inspection and review shall be available for the parties' inspection and review at any meeting to give each party equal opportunity to refer to such evidence during the meeting.

After the investigative report is sent to the parties, the decision-maker shall:

- Provide each party the opportunity to submit written, relevant questions that a party wants asked of any party or witness;
- Provide each party with the answers;
- Allow for additional, limited follow-up questions from each party; and
- Provide an explanation to the party proposing the questions any decision to exclude a question as not relevant. Specifically, questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the complainant's prior sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the complainant, or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent.

No earlier than ten (10) days following the completion of the investigation period, the decision-maker, who cannot be the same person as the Title IX Coordinator or the investigator, shall issue a written determination regarding responsibility. The written determination shall include—

1. Identification of the allegations potentially constituting sexual harassment;
2. A description of the procedural steps taken from the receipt of the formal complaint through the determination, including:

5. A statement of, and rationale for, the result as to each allegation, including:
 - a. A determination regarding responsibility;
 - b. Any disciplinary sanctions imposed on the respondent; and
 - c. Whether remedies designed to restore or preserve equal access to the District’s education program or activity will be provided by the District to the complainant; and
6. The procedures and permissible bases for the complainant and respondent to appeal.

The written determination shall be provided to the parties simultaneously. The determination regarding responsibility shall become final on the earlier of:

- If an appeal is not filed, the day after the period for an appeal to be filed expires; or
- If an appeal is filed, the date the written determination of the result of the appeal is provided to the parties.

The District shall investigate the allegations in a formal complaint. If the conduct alleged in the formal complaint would not constitute sexual harassment as defined in this policy even if proved; did not occur in the District’s education program or activity; or did not occur against a person in the United States, then the District shall dismiss the complaint as not meeting the definition of sexual harassment under this policy. A dismissal for these reasons does not preclude action under another provision of the District’s personnel policies or code of conduct.

The District may dismiss the formal complaint or any allegations therein, if at any time during the grievance process:

- The complainant notifies the Title IX Coordinator in writing that the complainant would like to withdraw the formal complaint or any allegations therein;
- The respondent is no longer enrolled at the District; or
- Specific circumstances prevent the District from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.

Upon the dismissal of a formal complaint for any reason, the District shall promptly send written notice of the dismissal and reason(s) for the dismissal simultaneously to the parties.

The District may hire an individual or individuals to conduct the investigation or to act as the determination-maker when necessary.

Appeals

Either party may appeal a determination regarding responsibility or from a dismissal of a formal complaint or any allegations therein, on the following bases:

- a. The existence of a procedural irregularity that affected the outcome of the matter;
- b. Discovery of new evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter;
- c. The Title IX Coordinator, investigator, or decision-maker had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter; or

2. Simultaneously Provide all parties a written copy of the District’s procedures governing the appeal process;
3. Implement appeal procedures equally for both parties;
4. Ensure that the decision-maker⁵ for the appeal is not the same person as the decision-maker that reached the original determination regarding responsibility or dismissal, the investigator, or the Title IX Coordinator;

5. Provide all parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome;
6. Issue a written decision describing the result of the appeal and the rationale for the result; and
7. Provide the written decision simultaneously to both parties.

Confidentiality

Reports of sexual harassment, both informal reports and formal complaints, will be treated in a confidential manner to the extent possible. Limited disclosure may be provided to:

- individuals who are responsible for handling the District’s investigation and determination of responsibility to the extent necessary to complete the District’s grievance process;
- Submit a report to the child maltreatment hotline;
- Submit a report to the Professional Licensure Standards Board for reports alleging sexual harassment by an employee towards a student; or

- ✚ Any individual who has made a report or filed a formal complaint of sexual harassment;
- ✚ Any complainant;
- ✚ Any individual who has been reported to be the perpetrator of sex discrimination;
- ✚ Any respondent; and
- ✚ Any witness.

Any supportive measures provided to the complainant or respondent shall be kept confidential to the extent that maintaining such confidentiality does not impair the ability of the District to provide the supportive measures.

Administrative Leave⁶

The District may place a non-student employee respondent on administrative leave during the pendency of the District’s grievance process.

Retaliation Prohibited

Employees who submit a report or file a formal complaint of sexual harassment,; testified; assisted; or participate or refused to participate in any manner in an investigation, proceeding, or hearing on sexual harassment shall not be subjected to retaliation or reprisal in any form, including threats; intimidation; coercion; discrimination; or charges for personnel policy violations that do not involve sex discrimination or sexual harassment, arise out of the same facts or circumstances as a report or formal complaint of sex discrimination, and are made for the purpose of interfering with any right or privilege under this policy. The District shall take steps to prevent retaliation and shall take immediate action if any form of retaliation occurs regardless of whether the retaliatory acts are by District officials, students, or third parties.

Disciplinary Sanctions

It shall be a violation of this policy for any student or employee to be subjected to, or to subject another person to, sexual harassment. Following the completion of the District’s grievance process, any employee who is found by the evidence to more likely than not⁷ have engaged in sexual harassment will be subject to disciplinary action up to, and including, termination. No disciplinary sanction or other action that is not a supportive measure may be taken against a respondent until the conclusion of the grievance process.

Employees who knowingly fabricate allegations of sexual harassment or purposely provide inaccurate facts shall be subject to disciplinary action up to and including termination. A determination that the allegations do not rise to the level of sexual harassment alone is not sufficient to conclude that any party made a false allegation or materially false statement in bad faith.

Records

The District shall maintain the following records for a minimum of seven (7) years:

- Each sexual harassment investigation including:
- Any determination regarding responsibility;
- any disciplinary sanctions imposed on the respondent;

TERMINATION AND NON-RENEWAL

For procedures relating to the termination and non-renewal of classified employees, please refer to the Public School Employee Fair Hearing Act A.C.A. § 6-17-1701 through 1705. The Act specifically is not made a part of this policy by this reference. A copy of the code is available in the office of the principal of each school building.

CLASSIFIED PERSONNEL DUTIES AS MANDATED REPORTERS

It is the statutory duty of school district employees to:

- If the employee has reasonable cause to suspect child abuse or maltreatment, then the employee shall directly and personally report these suspicions to the Arkansas Child Abuse Hotline; by calling 1-800-482-5964; by calling the child maltreatment hotline at 1-800-482-5964 and submitting a report through fax to the child maltreatment hotline; or if the employee can demonstrate that the child maltreatment, neglect, or abuse is not an emergency, then the employee may notify the child maltreatment hotline through submission of a fax only. Failure to report suspected child abuse, maltreatment, or neglect through the Hotline can lead to criminal prosecution and individual civil liability of the person who has this duty. Notification of local or state law enforcement does not satisfy the duty to report; only notification by means of the Child Abuse Hotline discharges this duty.
- If the employee has a good faith belief that there is a serious and imminent threat to the public based on a threat made by an individual regarding violence in or targeted at a school that has been communicated to the employee in the ordinary course of his/her professional duties, then the employee shall make every attempt to immediately notify law enforcement of the serious and imminent threat to the public and have notified law enforcement within twenty-four (24) hours of learning of the serious and imminent threat to the public.

The duty of mandated reporters to report suspected child abuse or maltreatment or serious and imminent threats to the public is a direct and personal duty, and cannot be assigned or delegated to another person. There is no duty to investigate, confirm or substantiate statements a student may have made which form the basis of the reasonable cause to believe that the student may have been abused or subjected to maltreatment by another person or that form the basis of the serious and imminent threat to the public; however, a person with a duty to report may find it helpful to make a limited inquiry to assist in the formation of a belief that child abuse, maltreatment, or neglect has occurred; that a serious and imminent threat to the public exists; or to rule out such a belief¹.

Employees and volunteers who notify the Child Abuse Hotline or who report serious and imminent threats to the public to law enforcement in good faith are immune from civil liability and criminal prosecution.

By law, no school district or school district employee may prohibit or restrict an employee or volunteer **who is a mandated reporter** from directly reporting suspected child abuse, maltreatment, or a serious and imminent threat to the public, or require that any person notify or seek permission from any person before making a report to the Child Abuse Hotline or law enforcement.

OBTAINING and RELEASING STUDENT'S FREE AND REDUCED PRICE MEAL ELIGIBILITY INFORMATION

Obtaining Eligibility Information

A fundamental underpinning of the National School Lunch and School Breakfast Programs (Programs) is that in their implementation, there will be no physical segregation of, discrimination against, or overt identification of children who

are eligible for the Program's benefits. While the requirements of the Programs are defined in much greater detail in federal statutes and pertinent Code of Federal Regulations, this policy is designed to help employees understand prohibitions on how the student information is obtained and/or released through the Programs. Employees with the greatest responsibility for implementing and monitoring the Programs should obtain the training necessary to become fully aware of the nuances of their responsibilities.

The District is required to inform households with children enrolled in District schools of the availability of the Programs and of how the household may apply for Program benefits. However, the District and anyone employed by the district is **strictly forbidden** from **requiring** any household or student within a household from submitting an application to participate in the program. There are NO exceptions to this prohibition and it would apply, for example, to the offer of incentives for completed forms, or disincentives or negative consequences for failing to submit or complete an application. Put simply, federal law requires that the names of the children shall not be published, posted or announced in any manner.

In addition to potential federal criminal penalties that may be filed against a staff member who violates this prohibition,¹ the employee shall be subject to discipline up to and including termination.

Releasing Eligibility Information

As part of the district's participation in the National School Lunch Program and the School Breakfast Program, the district collects eligibility data from its students. The data's confidentiality is very important and is governed by federal law. The district has made the determination to release student eligibility status or information² as permitted by law. Federal law governs how eligibility data may be released and to whom. The district will take the following steps to ensure its confidentiality:

Some data may be released to government agencies or programs authorized by law to receive such data without parental consent, while other data may only be released after obtaining parental consent. In both instances, allowable information shall only be released on a need to know basis to individuals authorized to receive the data. The recipients shall sign an agreement with the district specifying the names or titles of the persons who may have access to the eligibility information. The agreement shall further specify the specific purpose(s) for which the data will be used and how the recipient(s) shall protect the data from further, unauthorized disclosures.

The superintendent shall designate the staff member(s) responsible for making eligibility determinations. Release of eligibility information to other district staff shall be limited to as few individuals as possible who shall have a specific need to know such information to perform their job responsibilities. Principals, counselors, teachers, and administrators shall not have routine access to eligibility information or status.

Each staff person with access to individual eligibility information shall be notified of their personal liability for its unauthorized disclosure and shall receive appropriate training on the laws governing the restrictions of such information.¹

ASSIGNMENT OF TEACHERS AIDES

The assignment of teachers' aides shall be made by the principal or his/her designee. Changes in the assignments may be made as necessary due to changes in the student population, teacher changes, and to best meet the educational needs of the students.

ASSIGNMENT OF CLASSIFIED PERSONNEL

The Superintendent shall be responsible for assigning and reassigning classified personnel.

Employee actions that meet the definitions within this policy are prohibited.

In recognition of the level of trust placed in District employees, the duty of care District employees have towards their charges, and the need for District employees to model appropriate behavior for their charges, the District has, and will continue to hold, its employees to a high standard of behavior. Employees whose actions are determined to be in violation of the provisions of this policy, another personnel policy, the Division of Elementary and Secondary Education Rules Governing the Code of Ethics for Arkansas Educators¹, or criminal conduct that statutorily prohibits employment by a school district may be recommended for discipline up to and including termination of the employee’s contract for employment. In addition to other forms of discipline, conduct in violation of the Rules may be reported to the Professional Licensure Standards Board.

Employees who are found to be performing job duties without using or wearing the necessary PPE required by the employee's job duties may be disciplined, up to and including termination.

A supervisor may be disciplined, up to and including termination, if the supervisor:

1. Fails to ensure the employee has the prescribed PPE before the employee assumes job duties requiring such equipment;
