

## **PUBLIC NOTICE**

State and Federal guidelines require all special education records to be maintained for six years if they are no longer needed for special education purposes.

The Calico Rock School District has announced that Special Education records will be destroyed after six years. Records may be obtained by parents/students by contacting Connie Moser at 870-297-3745 anytime before November 17, 2023.

Records not claimed, will be destroyed on November 17, 2023. Please note, these are NOT students' permanent school records, these are only special education records.
