LICENSED PERSONNEL

3.0 PERSONNEL POLICIES

Membership

The membership of the licensed personnel policy committee (PPC) shall be:

1. Five (5) members who are classroom teachers as follows:
2. Up to three (3) administrators appointed by the superintendent, which may include the superintendent.

Election of Teacher Members

The five (5)¹ teacher members of the PPC shall be elected as follows:

The election for the teacher members of the PPC shall be conducted by the PPC by October 15 of each year. The election shall be conducted with the use of a secret ballot. A teacher may cast a ballot to vote for the candidate(s)³ the teacher is eligible to vote for. The candidate who receives the highest number of votes shall be declared the winner.⁴ In the event a position up for election only receives one candidate by the date designated for the submission of candidates, the unopposed candidate shall be declared to be elected without the need to hold a full election for the position.

If an election to fill positions on the PPC is not conducted by October 15, the Board of Directors may appoint an individual to fill the position that was up for election.

Length of Term

The length of term for teacher members of the PPC shall be one year. Terms of teacher members shall be staggered so that, to the extent possible, an equal number of teacher members are elected each year. If an election is held due to a vacancy on the PPC, the individual elected to fill the vacancy shall be elected to the remainder of the unexpired term.

Selection of Officers

The PPC shall organize itself in the first quarter of each school year and elect a chair and a secretary.

Meetings

The PPC shall develop a calendar of regularly scheduled meetings throughout the year to review the District's personnel policies in order to:

- I. Determine whether additional policies or amendments to existing policies are needed;
- II. Review any policies or changes to policies proposed by the board of directors;
- III. Propose additional policies or amendments to the board of directors; and
- IV. Review any proposed distribution of a salary underpayment from previous years.

The PPC shall hold special meetings through the year as necessary to review personnel policy proposals from the Board.

A majority of the members of the PPC shall constitute a quorum for conducting business. The adoption of any motion shall require an affirmative vote by a majority of the members of the PPC.⁶

The personnel policy review process shall be in accordance with Policy 1.9.

Members of the PPC are not entitled to and shall not receive additional pay for their service on the PPC or for attendance at PPC meetings.

Recording of Meetings

All PPC meetings shall be audio recorded. The recording may be paused in order to protect confidential employee or student information. The PPC chair shall announce for the recording the reason the PPC is pausing the recording prior to pausing the recording.

Information Posted to District Website

The following information shall be posted to the District website:

- Positions that are up for election to the PPC;
- Names of candidates running for each position;
- Information regarding the conduction of the election;
- Results of the election; and
- Minutes of each PPC meeting.

Chris Brandon **5/27/2026**
 President of Board Date

State law requires each District to include its teacher salary schedule, including stipends and other material benefits, in its written personnel policies. In developing the salary schedule, the District will establish a normal base contract period for teachers. The District is required to post the salary schedule on its website by September 15 of each year and should place an obvious hyperlink, button, or menu item on the website's homepage that links directly to the current year licensed policies and salary schedule.

For the purposes of the salary schedule, a teacher will have worked a “year” if he/she works at least 160 days.

For the purposes of this policy, a master’s degree or higher is considered “relevant to the employee’s position” if it is related to education, guidance counseling, or the teacher’s content area and has been awarded for successful completion of a program at the master’s level or higher by an institution of higher education accredited under Arkansas statutory requirements applicable at the time the degree was awarded.

Teachers who have earned additional, relevant degrees or sufficient college hours to warrant a salary change are responsible for reporting and supplying a transcript to Treasurer’s office. The appropriate salary increase will be reflected in the next paycheck provided it is at least two (2) weeks from the time the notice and documentation is delivered. All salary changes will be on a “go forward” basis, and no back pay will be awarded.

Arkansas Professional Educator Preparation (ArPEP) Program

Each employee newly hired by the district to teach under the Arkansas Professional Educator Preparation (ArPEP) Program shall initially be placed on the salary schedule in the category of a bachelor’s degree with no experience, unless the ArPEP program employee has previous teaching experience which requires a different placement on the schedule. Upon receiving his/her initial or standard teaching license, the employee shall be moved to the position on the salary schedule that corresponds to the level of education degree earned by the employee which is relevant to the employee’s position. Employee’s degrees which are not relevant to the ArPEP program's position shall not apply when determining his/her placement on the salary schedule. A teacher with a non-traditional provisional license shall be eligible for step increases with each successive year of employment, just as would a teacher possessing a traditional teaching license.

Licensed employee, seeking additional area or areas of licensure

Licensed employees who are working on an alternative licensure plan (ALP) to gain licensure in an additional area are entitled to placement on the salary schedule commensurate with their current license, level of education degree and years of experience. Degrees which are not relevant to the employee’s position shall not apply when determining his/her placement on the salary schedule.

3.2—LICENSED PERSONNEL EVALUATIONS

Definitions

“Beginning administrator” means a building level or district level leader who has not completed three (3) years of experience as a building level or district level administrator.

“Building level or district level leader” means an individual employed by the District whose job assignment is that of a building level or district level administrator or an equivalent role, including an administrator licensed by the State Board of Education, an unlicensed administrator, or an individual on an Administrator Licensure Completion Plan. Building level or district level leader does not include the superintendent, deputy superintendents, associate superintendents, and assistant superintendents.

“Novice teacher” is a teacher who has less than three (3) years of public school classroom experience.

“Teacher” has the same definition as A.C.A. § 6-17-2803(16).

Teachers

Teachers will be evaluated under the provisions and timelines of the Teacher Excellence and Support System (TESS).

The superintendent or designee(s) shall develop procedures to govern the evaluation process and timelines for the evaluations.

Teachers will be evaluated under the schedule and provisions required by TESS. All teachers, other than novice teachers, will have a summative evaluation over all domains and components at least once every four (4) years. To establish the initial four (4) year rotation schedule for teachers, other than novice teachers, to be summatively evaluated, at least one-quarter (1/4) of each school's teachers, other than novice teachers, will be selected for evaluation by rotation. Novice teachers will receive a summative evaluation in the year following the completion of their novice period and will be added to the four (4) year summative evaluation rotation for following years. A teacher who transfers into the District from another Local Educational Agency (LEA) shall be added to the four (4) year summative evaluation rotation based on when the teacher's most recent summative evaluation was conducted. For merit pay, a teacher must have a formal evaluation every year.

All teachers shall annually develop a Professional Growth Plan (PGP) that identifies professional growth outcomes to advance the teacher's professional skills and clearly links personalized, competency-based professional learning opportunities to the professional growth outcomes. The teacher's PGP must be approved by the teacher's evaluator. If there is disagreement between a teacher and the teacher's evaluator concerning the PGP, the decision of the evaluator shall be final.

Following a summative evaluation, the teacher shall receive an overall performance rating that is derived from:

1. A written evaluation of the teacher's performance on all evaluation domains as a whole;
2. The evaluation framework and evaluation rubric appropriate to the teacher's role;
3. More than one type of evidence of the teacher's professional practice including, but not limited to:
 - a. Direct observation;
 - b. Indirect observation;
 - c. Artifacts; and
 - d. Data; and
4. Presentations of evidence chosen by the teacher, the evaluator, or both.

The Summative evaluation shall provide an opportunity for the evaluator and the teacher to discuss the review of the evidence used in the evaluation and provide feedback that the teacher can use to improve his/her teaching skills and student learning.

While teachers are only required to be summatively evaluated once every four (4) years, the teacher's evaluator may conduct a summative evaluation in any year.

A teacher shall continue to demonstrate a commitment to student learning in formative years by furthering the teacher's professional growth and development as guided by the teacher's PGP. The teacher's evaluator, or one or more individuals selected by the evaluator, shall support the teacher on an ongoing basis throughout the formative years by:

- Providing teachers with immediate feedback about teaching practices;
- Engaging teachers in a collaborative, supportive learning process; and
- Helping teachers use assessment methods supported by evidence-based research that inform the teacher of student progress and provide a basis for adapting teaching practices.

While an overall performance rating is not required in a formative year, a teacher shall receive an annual evaluation rating in a formative year that is based on the teacher's PGP, observations, and includes components within the TESS framework.

Building Level or District Level Evaluations

Building level or district level leaders will be evaluated under the schedule and provisions required by the Leader Excellence and Development System (LEADS).

The superintendent or designee(s) shall develop procedures to govern the evaluation process and timelines for the evaluations.

Building level or district level leaders, except for beginning administrators, shall have a summative evaluation at least once every four (4) years. To establish the initial four-year rotation schedule for building level or district level leaders, except for beginning administrators, to be summatively evaluated, at least one quarter (1/4) of each school's building level or district level leaders will be selected for evaluation by rotation. Beginning administrators shall have a summative evaluation in the year following the completion of their beginning administrator period and will be added to the four (4) year summative evaluation rotation for following years. A building level or district level leader who transfers into the District from another LEA shall be added to the four (4) year summative evaluation rotation based on when the building level or district level leader's most recent summative evaluation was conducted.

A building level or district level leader shall complete a PGP based on the standards and functions determined during the initial summative evaluation meeting with the superintendent or designee. If there is disagreement between a building level or district level leader and the leader's evaluator concerning the PGP, the decision of the evaluator shall be final.

The building level or district level leader shall annually revise his/her PGP and associated documents required under LEADS. In a non-summative evaluation year, his/her job performance will be measured on how well the PGP's goals have been met.

The Superintendent, or designee shall use the evaluation framework and rubric that is appropriate to the role and responsibilities of the building level or district level leader when conducting the building level or district level leader's summative evaluation. The building level or district level leader's summative evaluation shall result in a written overall performance rating that is based on multiple sources of evidence of the building level or district level leader's professional practice, which may include:

- a. Direct observation;
- b. Indirect observation;
- c. Artifacts; and
- d. Data.

When the Superintendent or designee conducts a summative evaluation, he/she will base the building level or district level leader's continuing employment recommendation on:

- The level of performance based on the performance functions and standards of the evaluation rubric;
- The evidence of teacher performance and growth applicable to the building- or district-level leader; and
- The building- or district-level leader's progression on his or her professional growth plan.

While building level or district level leaders are required to be summatively evaluated once every four (4) years, the Superintendent or designee may conduct a summative evaluation in any year.

3.3 – LICENSED PERSONNEL PAYROLL INFORMATION

At the teacher's option a teacher's contract amount will be divided into either, 9, 10, 11, or 12 approximately equal monthly payments. The payroll date will be the fifteenth (15th) of each month unless that date falls on a weekend or holiday. If the payroll date falls on a weekend or holiday, the payroll date will be the last previous working day of the pay period. If a teacher opts for nine payments, then the last payroll date will be the last day of the contract period.

If an employee chooses to be paid in 9 approximately equal payments, the employee will receive a check in April but will not receive his/her last check until the end of the contract period.

3.5 – LICENSED PERSONNEL CONTRACT RETURN

An employee shall have thirty (30) days from the date of the receipt of his contract for the following school year in which to return the contract, signed, to the office of the Superintendent. The date of receipt of the contract shall be presumed to be the date of a cover memo which will be attached to the contract.

Failure of an employee to return the signed contract to the office of the Superintendent within thirty (30) days of the receipt of the contract shall operate as a rejection by the employee. No further action on the part of the employee, the Superintendent, or the School Board shall be required in order to make the employee's resignation final.

A copy of the contract signed by the Superintendent and Board member will be returned to the employee by the first scheduled workday of the contract year.

3.6—LICENSED PERSONNEL EMPLOYEE TRAINING

Definitions

“Flexible PD hours (flex hours)” means PD hours that an employee is allowed to substitute as PD activities, different than those offered by the District, but are still aligned to the employee's professional growth plan (PGP), the employee's school's school-level improvement plan (SLIP), or the District's professional development plan (PDP).

“Immediate family member” means the same as in Policy 3.8—LICENSED PERSONNEL SICK LEAVE.

“Professional development (PD)” means a set of coordinated, planned learning activities for District employees who are required to hold a current license issued by the State Board of Education as a condition of employment that:

- Is required by statute or the Division of Elementary and Secondary Education (DESE); or
- Meets the following criteria:
 - Is part of the professional development hours or professional learning credits, as determined by DESE, required by law or by DESE;
 - Improves the knowledge, skills, and effectiveness of teachers;
 - Improves the knowledge and skills of administrators and paraprofessionals concerning effective instructional strategies and methods;
 - Leads to improved student academic achievement; and
 - Is research-based and standards-based; or
- May incorporate educational technology as a component of the professional development, including without limitation taking or teaching an online or blended course.

As part of the District’s District Strategic Plan (DSP), the District shall develop and implement a PDP for its licensed employees. The District’s PDP shall, in part, align District resources to address the PD activities identified in each school’s SLIP and incorporate the licensed employee’s PGP. The PDP shall describe how the District’s categorical funds will be used to address deficiencies in student performance and any identified academic achievement gaps between groups of students. At the end of each school year, the District shall evaluate the PD activities’ effectiveness at improving student performance and closing achievement gaps.

The goal of all PD activities shall be improved knowledge and skills to facilitate individual, team, school-wide, and District-wide improvement designed to ensure that all students demonstrate proficiency on the state’s academic standards. The PDP shall be research-based and standards-based and in alignment with applicable DESE Rules and/or Arkansas code.

Teachers, administrators, and paraprofessionals shall be involved in the design, implementation, and evaluation of the plan for their own PD offerings. The results of the evaluation made by the participants in each program shall be used to continuously improve PD offerings and to revise the PDP.

Each licensed employee shall receive a minimum of thirty-six (36) hours of PD annually to be fulfilled between July 1 and June 30. A licensed employee may be required to receive more PD than the minimum when necessary to complete the licensed employee’s PGP, but not to exceed sixty (60) total hours of PD. All licensed employees are required to obtain thirty-six (36) hours of approved PD each year over a five-year period as part of their licensure renewal requirements. PD hours earned in excess of each licensed employee’s required number of hours in the designated year cannot be carried over to the next year.

All employees shall attend all local PD training sessions as directed by the employee’s supervisor. The District shall determine on an annual basis how many, if any, flex hours of PD it will allow to be substituted for District scheduled PD offerings. The determination may be made at an individual building, a grade, or by subject basis. The District administration and the building principal have the authority to require attendance at specific PD activities. Employees must receive advance approval from the building principal for activities they wish to have qualify for flex PD hours. To the fullest extent possible, PD activities are to be scheduled and attended such that

teachers do not miss their regular teaching assignments. Six (6) approved flex hours credited toward fulfilling the licensed employee's required hours shall equal one (1) contract day. Hours of PD earned by an employee

that are in excess of the employee's required hours but are either not at the request of the District or not pre-approved by the building principal, shall not be credited toward fulfilling the required number of contract days

for that employee. Hours earned that count toward the licensed employee's required hours also count toward the required number of contract days for that employee. Employees shall be paid their daily rate of pay for PD hours earned at the request of the District that necessitate the employee work more than the number of days required by their contract.

Approved PD activities that occur during the instructional day or outside the licensed employee's annual contract days may apply toward the annual minimum PD requirement.

Teachers and administrators who, for any reason, miss part or all of any scheduled PD activity they were required to attend, must make up the required hours in comparable activities, which are to be pre-approved by the employee's appropriate supervisor. The PD to be made up may be obtained by any method, online or otherwise, approved by DESE. Licensed employees who are prevented from obtaining the required PD hours due to their illness or the illness of an immediate family member have until the end of the following school year to make up the deficient hours. This time extension does not absolve the employee from also obtaining the following year's required hours of PD.

To receive credit for a PD activity, each employee is responsible for obtaining and submitting documents of attendance, or completion for each PD activity the employee attends. Documentation is to be submitted to the building principal or the building principal's designee. The District shall maintain all documents submitted by its employees that reflect completion of PD programs, whether such programs were provided by the District or an outside organization.

Employees who do not receive or furnish documentation of the required annual PD jeopardize the accreditation of their school and academic achievement of their students. Failure of an employee to receive required annual hours of PD in any given year, unless due to illness as permitted by law, DESE Rule, and this policy, shall be grounds for discipline, up to and including termination.

3.7—LICENSED PERSONNEL DRUG TESTING

This policy meets the requirements stated by Section 5145 of the Drug-Free Schools and Communities Act, as added by Section 22 of the Drug-Free Schools and Communities Act Amendments of 1989 (P.L. 101-226).

The Calico Rock School District recognizes its responsibility to employees to provide a drug-free workplace and to prohibit unlawful manufacture, distribution, dispensation, possession, or use of any controlled substance, including alcohol, by employees. Employees will be aware of these prohibitions, and they will be made aware of the problems and dangers associated with drug use and abuse. Employees will also be made aware of area agencies and treatment centers which specialize in the treatment and recovery of substance abuse related problems.

When it has been established that an employer possesses or is under the influence of illegal drugs or other materials expressly prohibited by federal, state or local laws, or of any mind altering non-prescribed substances, including alcohol, while he/she is on school property, at school functions, or on school business, he/she will be subject to probation, suspension with or without pay, or dismissal. The employee may be reported to legal authorities.

Employees of this district, as a condition of employment, agree to abide by the terms of the above statements and to notify the employee of any criminal drug statute conviction for a violation occurring in the workplace no later than five days after such conviction.

Nothing in this regulation shall limit the district's right to discipline up to and including discharge of an employee for off-duty, off-premises illegal drug and alcohol activities.

3.7A—LICENSED PERSONNEL BUS DRIVER DRUG TESTING

Definitions

“Clearinghouse” means the Federal Motor Carrier Safety Administration Commercial Driver's License Drug and Alcohol Clearinghouse.

“Database” means the Commercial Driver Alcohol and Drug Testing Database of the Office of Driver Services of the Arkansas Department of Finance and Administration.

“Safety-sensitive function” includes:

- a. All time spent inspecting, servicing, and/or preparing the vehicle;
- b. All time spent driving the vehicle;
- c. All time spent loading or unloading the vehicle or supervising the loading or unloading of the vehicle; and
- d. All time spent repairing, obtaining assistance, or remaining in attendance upon a disabled vehicle.

“School Bus” is a motorized vehicle that meets the following requirements:

1. Is designed to carry more than ten (10) passengers;
2. Is privately owned and operated for compensation, or which is owned, leased or otherwise operated by, or for the benefit of the District; and
3. Is operated for the transportation of students from home to school, from school to home, or to and from school events.

Scope of Policy

Each person hired for a position that allows or requires the employee to operate a school bus shall meet the following requirements:

1. The employee shall possess a current driver's license authorizing the individual to operate the size school bus the individual is being hired to drive;
2. Have undergone a physical examination, which shall include a drug test, by a licensed physician or advanced practice nurse within the past two years; and
3. A current valid certification of school bus driver in service training.

Each person's initial employment for a job entailing a safety-sensitive function is conditioned upon:

- The district receiving a negative drug test result for that employee;
- The employee submitting an electronic authorization through the Clearinghouse for the District to run a full query of the employee's information in the Clearinghouse; and
- The employee's signing a written authorization for the District to request information from:
 - The Database; and
 - Any U.S. Department of Transportation regulated employers who have employed the employee during any period during the two (2) years prior to the date of the employee's application.

All employees who perform safety-sensitive functions shall annually submit a written authorization for the District to conduct a limited query of the employee's information from the Clearinghouse. The District shall perform a limited query of all employees who perform safety-sensitive functions at least once each school year. If the District's limited query of the Clearinghouse shows that information exists in the Clearinghouse that may prohibit the employee from performing safety-sensitive functions, the District shall conduct a full query of the Clearinghouse on the employee within twenty-four (24) hours of conducting the limited query. If the District is unable to conduct a full query within twenty-four (24) hours due to the twenty-four (24) hours falling on a weekend, holiday, or other day the District is closed or due to the failure of the employee to authorize the District to receive information resulting from the full query of the Clearinghouse, the employee shall not be permitted to perform any safety-sensitive function until the District conducts the full query and the results confirm that the employee's Clearinghouse record contains no prohibitions on the employee performing safety-sensitive functions.

Methods of Testing

The collection, testing methods and standards shall be determined by the agency or other medical organizations chosen by the School Board to conduct the collection and testing of samples. The drug and alcohol testing is to be conducted by a laboratory certified pursuant to the most recent guidelines issued by the United States Department of Health and Human Services for such facilities. ("Mandatory Guidelines for Federal Workplace Drug Testing Programs").

Requirements

Employees shall be drug and alcohol free from the time the employee is required to be ready to work until the employee is relieved from the responsibility for performing work and/or any time they are performing a safety-sensitive function. In addition to the testing required as an initial condition of employment, employees shall submit to subsequent drug tests as required by law and/or regulation. Subsequent testing includes, and/or is triggered by, but is not limited to:

1. Random tests;
2. Testing in conjunction with an accident;
3. Receiving a citation for a moving traffic violation; and
4. Reasonable suspicion.

Prohibitions

- A. No driver shall report for duty or remain on duty requiring the performance of safety-sensitive functions while having an alcohol concentration of 0.04 or greater;

- B. No driver shall use alcohol while performing safety-sensitive functions;
- C. No driver shall perform safety-sensitive functions within four (4) hours after using alcohol;
- D. No driver required to take a post-accident alcohol test under # 2 above shall use alcohol for eight (8) hours following the accident or until he/she undergoes a post-accident alcohol test, whichever occurs first;
- E. No driver shall refuse to submit to an alcohol or drug test in conjunction with # 1, 2, and/or 4 above;
- F. No driver shall report for duty or remain on duty requiring the performance of safety-sensitive functions when using any controlled substance, except when used pursuant to the instructions of a licensed medical practitioner who, with knowledge of the driver's job responsibilities, has advised the driver that the substance will not adversely affect the driver's ability to safely operate his/her vehicle. It is the employee's responsibility to inform his/her supervisor of the employee's use of such medication;
- G. No driver shall report for duty, remain on duty, or perform a safety-sensitive function if the driver tests positive or has adulterated or substituted a test specimen for controlled substances.

Violation of any of these prohibitions may lead to disciplinary action being taken against the employee, up to and including termination.

Testing for Cause

Drivers involved in an accident in which there is a loss of another person's life shall be tested for alcohol and controlled substances as soon as practicable following the accident. Drivers shall also be tested for alcohol within eight (8) hours and for controlled substances within thirty two (32) hours following an accident for which they receive a citation for a moving traffic violation if the accident involved:

1. Bodily injury to any person who, as a result of the injury, immediately receives medical treatment away from the scene of the accident; or
2. One or more motor vehicles incurs disabling damage as a result of the accident requiring the motor vehicle to be transported away from the scene by a tow truck or other motor vehicle.

Refusal to Submit

Refusal to submit to an alcohol or controlled substance test means that the driver:

- Failed to appear for any test within a reasonable period of time as determined by the employer consistent with applicable Department of Transportation agency regulation;
- Failed to remain at the testing site until the testing process was completed;
- Failed to provide a urine specimen for any required drug test;
- Failed to provide a sufficient amount of urine without an adequate medical reason for the failure;
- Failed to undergo a medical examination as directed by the Medical Review Officer as part of the verification process for the previous listed reason;
- Failed or declined to submit to a second test that the employer or collector has directed the driver to take;
- Failed to cooperate with any of the testing process; and/or
- Adulterated or substituted a test result as reported by the Medical Review Officer.

School bus drivers should be aware that refusal to submit to a drug test when the test is requested based on a reasonable suspicion can constitute grounds for criminal prosecution.

Consequences for Violations

Drivers who engage in any conduct prohibited by this policy, who refuse to take a required drug or alcohol test, refuse to sign or electronically authorize the request for information required by law, or who exceed the acceptable limits for the respective tests shall no longer be allowed to perform safety-sensitive functions.

Actions regarding their continued employment shall be taken in relation to their inability to perform these functions and could include termination of their contract of employment.

Drivers who exhibit signs of violating the prohibitions of this policy relating to alcohol or controlled substances shall not be allowed to perform or continue to perform safety-sensitive functions if they exhibit those signs during, just preceding, or just after the period of the work day that the driver is required to be in compliance with the provisions of this policy. This action shall be based on specific, contemporaneous, articulatable observations concerning the behavior, speech, or body odors of the driver. The Superintendent or his/her designee shall require the driver to submit to “reasonable suspicion” tests for alcohol and controlled substances. The direction to submit to such tests must be made just before, just after, or during the time the driver is performing safety-sensitive functions. If circumstances prohibit the testing of the driver the Superintendent or his/her designee shall remove the driver from reporting for, or remaining on, duty for a minimum of twenty-four (24) hours from the time the observation was made triggering the driver’s removal from duty.

If the results for an alcohol test administered to a driver is equal to or greater than 0.02, but less than 0.04, the driver shall be prohibited from performing safety-sensitive functions for a period no less than twenty-four (24) hours from the time the test was administered. Unless the loss of duty time triggers other employment consequence policies, no further other action against the driver is authorized by this policy for test results showing an alcohol concentration of less than 0.04.

Reporting Requirements

The District shall report the following information about an employee who performs safety-sensitive functions to the Clearinghouse by the close of the third (3rd) business day following the date the District obtained the information:

1. An alcohol confirmation test result with an alcohol concentration of 0.04 or greater;
2. A negative return-to-duty test result;
3. A refusal to take an alcohol test;
4. A refusal to test determination; however, if the refusal to test determination is based on the employee’s admission of adulteration or substitution of the specimen, the District shall only report the admissions made to the specimen collector; and
5. A report that the driver has successfully completed all follow-up tests as prescribed in the Substance Abuse Professional report.

The District shall report the following violations for an employee who performs safety-sensitive functions by the close of the third (3rd) business day following the date the District obtains actual knowledge of:

1. On-duty alcohol use;
2. Pre-duty alcohol use;
3. Alcohol use following an accident; and
4. Controlled substance use.

2. “Sick Leave” is absence from work due to illness, whether by the employee or a member of the employee’s immediate family, or due to a death in the family. The principal shall determine whether sick leave will be approved on the basis of a death outside the immediate family of the employee.
3. “Current Sick Leave” means those days of sick leave for the current contract year, which leave is granted at the rate of one (1) day of sick leave per contracted month, or major part thereof.
4. “Accumulated Sick Leave” is the total of unused sick leave, up to a maximum of ninety (90) days accrued from previous contracts, but not used. Accumulated sick leave also includes the sick leave transferred from an employee’s previous public school employment.
5. “Immediate family” means an employee’s spouse, child, parent, or any other relative provided the other relative lives in the same household as the employee.

Sick Leave

The principal has the discretion to approve sick leave for an employee to attend the funeral of a person who is not related to the employee, under circumstances deemed appropriate by the principal.

Employees who are adopting or seeking to adopt a minor child or minor children may use up to fifteen (15) sick leave days in any school year for absences relating to the adoption, including time needed for travel, time needed for home visits, time needed for document translation, submission or preparation, time spent with legal or adoption agency representatives, time spent in court, and bonding time. See also, 3.32—LICENSED PERSONNEL FAMILY MEDICAL LEAVE, which also applies. Except for bonding time, documentation shall be provided by the employee upon request.

Pay for sick leave shall be at the employee’s daily rate of pay, which is that employee’s total contracted salary, divided by the number of days employed as reflected in the contract. Absences for illness in excess of the employee’s accumulated and current sick leave shall result in a deduction from the employee’s pay at the daily rate as defined above.

At the discretion of the principal (or Superintendent), and, if FMLA is applicable, subject to the certification or recertification provisions contained in policy 3.32—LICENSED PERSONNEL FAMILY MEDICAL LEAVE, the District may require a written statement from the employee’s physician documenting the employee’s illness. Failure to provide such documentation of illness may result in sick leave not being paid, or in discipline up to and including termination.

An employee shall be credited with one (1) day of sick leave in the event the employee used one (1) day of sick leave on a mandatory professional development (PD) day so long as the employee makes up the missed mandatory PD day on a noncontract day. Costs and expenses associated with the make-up PD shall be the responsibility of the employee unless agreed to in writing by the superintendent or the superintendent's designee for the expenses to be covered by the District.

Should a teacher be absent frequently during a school year, and said absences are not subject to FMLA leave, and if such a pattern of absences continues, or is reasonably expected to continue, the Superintendent may relieve the teacher of the teacher's assignment (with Board approval) and assign the teacher substitute duty at the teacher's daily rate of pay. Should the teacher fail, or otherwise be unable, to report for substitute duty when called, the teacher will be charged a day of sick leave, if available or if unavailable, the teacher will lose a day's wages at the teacher's daily rate of pay.

Temporary reassignment may also be offered or required in certain circumstances as provided in 3.32—**LICENSED PERSONNEL FAMILY MEDICAL LEAVE**.

If the employee's absences are not subject to the FMLA, or are in excess of what is protected under the FMLA, excessive absenteeism, to the extent that the employee is not carrying out the employee's assigned duties to an extent that the education of students is substantially adversely affected (at the determination of the principal or Superintendent), may result in termination.

Sick Leave and Family Medical Leave Act (FMLA) Leave

When an employee takes sick leave, the District shall determine if the employee is eligible for FMLA leave and if the leave qualifies for FMLA leave. The District may request additional information from the employee to help make the applicability³ determination. If the employee is eligible for FMLA leave and if the leave qualifies under the FMLA, the District will notify the employee in writing, of the decision within five (5) workdays. If the circumstances for the leave as defined in policy 3.32—**LICENSED PERSONNEL FAMILY MEDICAL LEAVE** don't change, the District is only required to notify the employee once of the determination regarding the applicability of sick leave and/or FMLA leave within any applicable twelve (12) month period. To the extent the employee has accumulated sick leave, any sick leave taken that qualifies for FMLA leave shall be paid leave and charged against the employee's accrued leave including, once an employee exhausts his/her accumulated sick leave, vacation or personal leave. See 3.32—**LICENSED PERSONNEL FAMILY MEDICAL LEAVE**.

Sick Leave and Outside Employment

Sick leave related absence from work (e.g. sick leave for personal or family illness or accident, Workers Comp, and FMLA) inherently means the employee is also incapable of working at any source of outside employment. Except as provided in policy 3.44, if an employee who works a non-district job while taking district sick leave for personal or family illness or accident, Workers Comp, or FMLA shall be subject to discipline up to and including termination.

SICK LEAVE UPON RETIREMENT

Unused Sick Days, Upon Retirement

Upon retirement, a full time licensed employee who has been with the Calico Rock School District for a minimum of the past six (6) years shall be paid the current licensed substitute teacher daily rate for each unused sick leave day accumulated in this District up to a maximum of \$5,000. This one-time payment will be made within thirty (30) working days following the last day of said contract and is subject to all applicable taxes and with-holdings but not teacher retirement.

Absence Notification

If a teacher plans to be absent, he should notify the administration beforehand. The administration is to call substitutes, unless otherwise agreed upon by teacher and administration. If an emergency arises, he should notify the principal by 6:30 a.m. so that a substitute may be secured.

Absence Form

All employees who are absent must fill out an employee absence report the day that employee returns to work.

Workmen's Compensation

A teacher whose absence is covered under the Workman's Compensation Act 223, 1971, shall report any loss of time compensation received. This amount shall be deducted from the contracted salary of the teacher. The cost of the amount shall be deducted from the contracted salary of the teacher. The cost of the substitute shall be handled in accordance with the provisions of the sick leave policy.

School Related Absences

A teacher who is absent due to school related responsibility, which is approved by the administration, shall be considered as on duty. The cost of a substitute teacher shall be borne by the district.

Shared Sick Days

District employees who are husband and wife may utilize each other's sick days.

LICENSED PERSONNEL SICK LEAVE

The policy was updated to include the statutory language permitting an employee who misses a professional development day due to personal or family illness to be reimbursed the day of sick leave by making up the missed professional development subject matter from A.C.A. 6-17-1204.

3.9—LICENSED PERSONNEL SICK LEAVE BANK

Calico Rock School will administer a sick leave bank for all full time licensed personnel who wish to participate. Participation shall be on a voluntary basis.

A **Sick Leave Bank Committee** will be determined by participating faculty through the democratic process, conducted by the **Sick Bank Committee**. That committee shall consist of **three members**.

The terms of the committee shall be for three years with **one member** being replaced each year.

Each participant shall contribute one (1) day of earned sick leave per year. The participant must submit, no later than September 15, a signed agreement to the District Treasurer's office authorizing the contributed day. After the election to participate in the sick leave bank has been made, the participation shall be continuous, unless the District Treasurer receives a written request from the participant by September 15th for the withdrawal of membership in the sick leave bank.

Days contributed to the sick leave bank by signed authorization cannot be returned to the participant. Requests or questions need to be directed to the Sick Bank Committee.

If the sick bank has a minimum of 400 days in the bank, vested members (those who have contributed to the bank for a minimum of 10 years), shall not be required to contribute more days as long as the 400-day minimum is maintained. If the bank falls below the 400-day minimum, the following year all members will contribute a day to the bank, and continue yearly until the 400-day minimum is again reached.

Days from the sick leave bank may be used by any contributing member in the event of a non-elective surgery, major illness or accident. The eligibility of the request will be determined by a special committee of contributors elected by participating members and the administration. Participating members must use up accumulated sick days before borrowing from the sick leave bank. All requests must be submitted in writing. Medical documentation is required.

No participant shall receive more than 90 days from the sick leave bank in any one (1) fiscal year. The number of days that can be drawn by an individual is subject to availability.

The Committee shall meet as necessary for the purpose of reviewing requests for withdrawal from the bank. The determination of the committee shall be final.

3.10—LICENSED PERSONNEL PLANNING TIME

The superintendent is responsible for ensuring master schedules are created which determine the timing and duration of each teacher's planning and scheduled lunch periods. Planning time is for the purpose of scheduling conferences, instructional planning, and preparation. Each teacher will have the ability to schedule these activities during his/her designated planning time. Teachers may not leave campus during their planning time without prior permission from their building level supervisor.

The planning time shall be in increments of not less than forty (40) minutes and shall occur during the student instructional day unless a teacher requests, in writing, to have his/her planning time occur outside of the student instructional day. For the purposes of this policy, the student instructional day means the time that students are required to be present at school.

3.11—LICENSED PERSONNEL PERSONAL LEAVE

An employee may take personal leave when he must be absent from work for reasons which do not entitle the employee to take sick leave. Full-time licensed teachers will be given personal leave days according to the following schedule:

<u>Years Experience in District</u>	<u>Annual Personal Days</u>
0-10	2
11-15	3
16+	4

1. Personal leave days will not be accumulative.
2. Two or more consecutive personal leave days require permission of the respective principal.
3. A teacher who does not use his/her personal leave days will receive \$100 per unused day. This fee will be paid to the teacher at the end of the school year.

4. Additional personal leave days will be deducted at the individual's daily rate of pay.

Employees shall earn two (2) weeks' vacation each year non-cumulative. Twelve (12) month employees who receive two (2) weeks of vacation shall have the option to be paid for unused vacation days up to three (3) days at the daily rate of pay or roll the three (3) days into their sick leave.

1. Twelve (12) month employees may not take vacation leave without giving the administration a minimum of two (2) weeks notification.

3.13—LICENSED PERSONNEL PUBLIC OFFICE

An employee of the District who is elected to the Arkansas General Assembly or any elective or appointive public office (not legally constitutionally inconsistent with employment by a public school district) shall not be discharged or demoted as a result of such service.

No sick leave will be granted for the employee's participation in such public office. The employee may take personal leave or vacation (if applicable), if approved in advance by the Superintendent, during his/her absence.

Prior to taking leave, and as soon as possible after the need for such leave is discerned by the employee, he or she must make written request for leave to the Superintendent, setting out, to the degree possible, the dates such leave is needed.

An employee who fraudulently requests sick leave for the purpose of taking leave to serve in public office may be subject to discipline, up to and including termination.

3.14—LICENSED PERSONNEL JURY DUTY

Employees are not subject to discharge, loss of sick leave, loss of vacation time or any other penalty due to absence from work for jury duty, upon giving reasonable notice to the District through the employee's immediate supervisor.

The employee must present the original (not a copy) of the summons to jury duty to his or her supervisor in order to confirm the reason for the requested absence.

Employees shall receive their regular pay from the district while serving jury duty, and shall reimburse the district from the stipend they receive for jury duty, up to, but not to exceed, the cost of the substitute hired to replace the employee in his/her absence.

3.15—LICENSED PERSONNEL LEAVE — INJURY FROM ASSAULT

Any teacher who, while in the course of their employment, is injured by an assault or other violent act; while intervening in a student fight; while restraining a student; or while protecting a student from harm, shall be granted a leave of absence for up to one (1) year from the date of the injury, with full pay.

A leave of absence granted under this policy shall not be charged to the teacher's sick leave.

In order to obtain leave under this policy, the teacher must present documentation of the injury from a physician, with an estimate for time of recovery sufficient to enable the teacher to return to work, and written statements from witnesses (or other documentation as appropriate to a given incident) to prove that the incident occurred in the course of the teacher's employment.

3.16—LICENSED PERSONNEL REIMBURSEMENT FOR PURCHASE OF SUPPLIES

Prekindergarten through sixth grade teachers shall be allotted the amount required by law per student enrolled in the teacher's class to be used for the purchase of classroom supplies and class activities. The amount shall be credited to an account from which the teacher shall be reimbursed for his/her covered purchases to the extent funds are available in the account.

Teachers may purchase supplies and supplementary materials from the district at the district's cost to take advantage of the school's bulk buying power. To do so, teachers shall complete and have approved by the building principal or superintendent a purchase order for supplies which will then be purchased on their behalf by the school and subtracted from their total supply and material allocation. Teachers may also purchase materials and supplies using their own funds and apply for reimbursement by submitting itemized receipts. Supplies and materials purchased with school funds, or for which the teacher is reimbursed with school funds, are school property, and should remain on school property.

Unused allotments shall not be carried over from one fiscal year to the next.

For the purpose of this policy, pre-kindergarten through sixth grade teachers shall be eligible for the allotted supply reimbursement for those students enrolled in the teacher's class for more than 50% of the school day at the end of the first three months of the school year.

3.17—INSULT OR ABUSE OF LICENSED PERSONNEL

Employees are protected from abusive language and conduct by state law. An employee may report to the police any language which is calculated to:

1. Cause a breach of the peace;
2. Materially and substantially interfere with the operation of the school; and/or
3. Arouse the person to whom the language is addressed to anger, to the extent likely to cause imminent retaliation.

3.17.1—LICENSED PERSONNEL CODE OF CONDUCT

Definitions

"Insubordination" means the willful disregard of a supervisor's instructions or the refusal to obey a lawful order from a supervisor. Insubordination does not mean the refusal to follow an order from a supervisor that would violate Federal or state law; Federal regulations; state rules; or a court order.

"Sexual harassment" means conduct on the basis of sex that may not reach the definition of sexual harassment under Policy 3.26 but is nevertheless inappropriate within the education setting. Examples of sexual harassment include, but are not limited to:

- Making sexual propositions or pressuring for sexual activities;
- Sexual grooming;
- Unwelcome touching;
- Writing graffiti of a sexual nature;
- Displaying or distributing sexually explicit drawings, pictures, or written materials;

- Performing sexual gestures or touching oneself sexually in front of others;
- Telling sexual or crude jokes;
- Spreading rumors related to a person's alleged sexual activities;
- Discussions of sexual experiences;
- Rating, ranking, or assessing students or other employees as to:
 - Physical attractiveness;
 - Sexual activity or performance; or
 - Sexual preference;
- Circulating or showing e-mails or Web sites of a sexual nature;
- Intimidation by words, actions, insults, or name calling; and
- Teasing or name-calling related to sexual characteristics or the belief or perception that an individual is not conforming to expected gender roles or conduct or is homosexual, regardless of whether or not the individual self-identifies as homosexual or transgender.

Employee actions that meet the definitions within this policy are prohibited.

In recognition of the level of trust placed in District employees, the duty of care District employees have towards their charges, and the need for District employees to model appropriate behavior for their charges, the District has, and will continue to hold, its employees to a high standard of behavior. Employees whose actions are determined to be in violation of the provisions of this policy, another personnel policy, the Division of Elementary and Secondary Education Rules Governing the Code of Ethics for Arkansas Educators, or criminal conduct that statutorily prohibits employment by a school district may be recommended for discipline up to and including termination of the employee's contract for employment. In addition to other forms of discipline, conduct in violation of the Rules may be reported to the Professional Licensure Standards Board.

3.18—LICENSED PERSONNEL OUTSIDE EMPLOYMENT

An employee of the District may not be employed in any other capacity during regular working hours.

An employee may not accept employment outside of his or her district employment which will interfere, or otherwise be incompatible with the District employment, including normal duties outside the regular work day; nor shall an employee accept other employment which is inappropriate for an employee of a public school.

The Superintendent, or his designee(s), shall be responsible for determining whether outside employment is incompatible, conflicting or inappropriate.

When a licensed employee is additionally employed by the District in either a classified capacity or by a contract to perform supplementary duties for a stipend or multiplier, the duties, expectations, and obligations of the primary licensed position employment contract shall prevail over all other employment duties unless the needs of the district dictate otherwise. If there is a conflict between the expectations of the primary licensed position and any other contracted position, the licensed employee shall notify the employee's building principal as far in advance as is practicable. The building principal shall verify the existence of the conflict by contacting the supervisor of the secondary contracted position. The building principal shall determine the needs of the district on a case-by-case basis and rule accordingly. The principal's decision is final with no appeal to the Superintendent or the School Board. Frequent conflicts or scheduling problems could lead to the termination of the classified contract of employment or the contract to perform the supplementary duties.

Sick Leave and Outside Employment

Sick leave related absence from work (e.g. sick leave for personal or family illness or accident, Workers' Comp, and FMLA) inherently means the employee is also incapable of working at any source of outside employment. Except as provided in policy 3.44, if an employee who works a non-district job while taking district sick leave for personal or family illness or accident, Workers' Comp, or FMLA shall be subject to discipline up to and including termination.

3.19—LICENSED PERSONNEL EMPLOYMENT

All prospective employees must fill out an application form provided by the District, in addition to any resume provided; all of the information provided is to be placed in the personnel file of those employed.

If the employee provides false or misleading information, or if he/she withholds information to the same effect, it may be grounds for dismissal. In particular, it will be considered a material misrepresentation and grounds for termination of contract of employment if an employee's licensure status is discovered to be other than as it was represented by an employee or applicant, either in writing on application materials or in the form of verbal assurances or statements made to the school district.

It is grounds for termination of contract of employment if an employee fails a criminal background check or receives a true report on the Child Maltreatment Central Registry check.

All teachers shall demonstrate proficiency or awareness in knowledge and practices in scientific reading instruction as is applicable to their teaching position by completing the prescribed proficiency or awareness in knowledge and practices of the scientific reading instruction credential either as a condition of licensure or within one (1) year for teachers who are already licensed or employed as a teacher under an individual licensure plan.

Before the superintendent may make a recommendation to the Board that an individual be hired by the District, the superintendent shall check the Arkansas Educator Licensure System to determine if the individual has a currently suspended or revoked teaching license. An individual with a currently suspended license or whose license has been revoked by the State Board of Education is not eligible to be employed by the District; this prohibition includes employment as a substitute teacher, whether directly employed by the District or providing substitute teaching services under contract with an outside entity.

The superintendent shall create procedures establishing the process the superintendent will use before making any decisions regarding the hiring or placement of a principal to consult with teachers employed at the school where the principal would be assigned.

If the superintendent finds probable cause that an employee has engaged in sexual misconduct with a minor, then the superintendent or the superintendent's designee shall not provide a favorable recommendation of employment on behalf of the employee.

The District is an equal opportunity employer and shall not discriminate on the grounds of race, color, religion, national origin, sex, pregnancy, sexual orientation, gender identity, age, disability, or genetic information.

Inquiries on nondiscrimination may be directed to Anita Nordrum, who may be reached at 870-297-3745.

Any person may report sex discrimination, including sexual harassment, to the Title IX Coordinator in person or by using the mailing address, telephone number, or email address provided above. A report may be made at any time, including during non-business hours, and may be on the individual's own behalf or on behalf of another individual who is the person alleged to be the victim of conduct that could constitute sex discrimination or sexual harassment.

For further information on notice of non-discrimination or to file a complaint, visit <https://www2.ed.gov/about/offices/list/ocr/complaintintro.html>; for the address and phone number of the office that serves your area, or call 1-800-421-3481.

In accordance with Arkansas law, the District provides a veteran preference to applicants who qualify for one of the following categories:

1. A veteran without a service-connected disability;
2. A veteran with a service-connected disability; and
3. A deceased veteran's spouse who is unmarried throughout the hiring process.

For purposes of this policy, "veteran" is defined as:

- a. A person honorably discharged from a tour of active duty, other than active duty for training only, with the armed forces of the United States; or
- b. Any person who has served honorably in the National Guard or reserve forces of the United States for a period of at least six (6) years, whether or not the person has retired or been discharged.

In order for an applicant to receive the veteran preference, the applicant must be a citizen and resident of Arkansas, be substantially equally qualified as other applicants, and do all of the following:

1. Indicate on the employment application the category the applicant qualifies for;
2. Attach the following documentation, **as applicable**, to the employment application:
 - Form DD-214 indicating honorable discharge;
 - A letter dated within the last six months from the applicant's command indicating years of service in the National Guard or Reserve Forces as well as the applicant's current status;
 - Marriage license;
 - Death certificate;
 - Disability letter from the Veteran's Administration (in the case of an applicant with a service-related disability).

Failure of the applicant to comply with the above requirements shall result in the applicant not receiving the veteran preference; in addition, meeting the qualifications of a veteran or spousal category does not guarantee either an interview or being hired.

3.20—LICENSED PERSONNEL REIMBURSEMENT OF TRAVEL EXPENSES

Employees shall be reimbursed for personal and/or travel expenses incurred while performing duties or attending workshops or other employment-related functions, provided that prior written approval for the activity for which the employee seeks reimbursement has been received from the Superintendent, principal (or other immediate supervisor with the authority to make school approvals), or the appropriate designee of the Superintendent and that the teacher's attendance/travel was at the request of the district.

It is the responsibility of the employee to determine the appropriate supervisor from which he/she must obtain approval.

Reimbursement claims must be made on forms provided by the District and must be supported by appropriate, original receipts. Copies of receipts or other documentation are not acceptable, except in extraordinary circumstances.

The provisions of policy 7.12—EXPENSE REIMBURSEMENT are incorporated by reference into this policy.

Cross Reference: 7.12—EXPENSE REIMBURSEMENT

3.21—LICENSED PERSONNEL USE OF TOBACCO, ELECTRONIC NICOTINE DELIVERY SYSTEMS, AND RELATED PRODUCTS

Smoking or use of tobacco or products containing tobacco in any form (including, but not limited to, cigarettes, cigars, chewing tobacco, and snuff) in or on any real property owned or leased by a District school, including school buses owned or leased by the District, or other school vehicles is prohibited.

With the exception of recognized tobacco cessation products, this policy's prohibition includes any tobacco or nicotine delivery system or product. Specifically, the prohibition includes any product that is manufactured, distributed, marketed, or sold as e-cigarettes, e-cigars, e-pipes, or under any other name or descriptor.

Violation of this policy by employees shall be grounds for disciplinary action up to, and including, dismissal.

3.22—DRESS OF LICENSED EMPLOYEES

Employees shall ensure that their dress and appearance are professional and appropriate to their positions.

3.23—LICENSED PERSONNEL POLITICAL ACTIVITY

Employees are free to engage in political activity outside of work hours to the extent that it does not affect the performance of their duties or adversely affect important working relationships.

It is specifically forbidden for employees to engage in political activities on the school grounds or during work hours. The following activities are forbidden on school property:

1. Using students for preparation or dissemination of campaign materials;
2. Distributing political materials;
3. Distributing or otherwise seeking signatures on petitions of any kind;
4. Posting political materials; and
5. Discussing political matters with students, in the classroom, in other than circumstances appropriate to the Frameworks and/or the curricular goals and objectives of the class.

3.24—LICENSED PERSONNEL DEBTS

For the purposes of this policy, "garnishment" of a district employee is when the employee has lost a lawsuit to a judgment creditor who brought suit against a school district employee for an unpaid debt, has been awarded money damages as a result, and these damages are recoverable by filing a garnishment action against the employee's wages. For the purposes of this policy, the word "garnishment" excludes such things as child support; student loan or IRS liens; or voluntary deductions levied against an employee's wages.

All employees are expected to meet their financial obligations. If an employee writes "hot" checks or an employee's income is garnished by a judgment creditor, dismissal may result.

An employee will not be dismissed for having been the subject of one (1) garnishment. However, a second or third garnishment may result in dismissal.

At the discretion of the Superintendent, the superintendent or the superintendent's designee may meet with an employee who has received a second garnishment for the purpose of warning the employee that a third garnishment will result in a recommendation of dismissal to the School Board.

At the discretion of the Superintendent, a second garnishment may be used as a basis for a recommended dismissal. The Superintendent may take into consideration other factors in deciding whether to recommend dismissal based on a second garnishment. Those factors may include, but are not limited to, the amount of the debt, the time between the first and the second garnishment, and other financial problems which come to the attention of the District.

3.25—LICENSED PERSONNEL GRIEVANCES

The purpose of this policy is to provide an orderly process for employees to resolve, at the lowest possible level, their concerns related to the personnel policies or salary payments of this district.

Definitions

Grievance: a claim or concern related to the interpretation, application, or claimed violation of the personnel policies, including salary schedules, federal or state laws and regulations, or terms or conditions of employment,

raised by an individual employee of this school district. Other matters for which the means of resolution are provided or foreclosed by statute or administrative procedures shall not be considered grievances. Specifically, no grievance may be entertained against a supervisor for directing, instructing, reprimanding, or “writing up” an employee under his/her supervision. A group of employees who have the same grievance may file a group grievance.

Group Grievance: A grievance may be filed as a group grievance if it meets the following criteria: (meeting the criteria does not ensure that the subject of the grievance is, in fact, grievable)

1. More than one individual has interest in the matter; and
2. The group has a well-defined common interest in the facts and/or circumstances of the grievance; and
3. The group has designated an employee spokesperson to meet with administration and/or the board; and
4. All individuals within the group are requesting the same relief.

Employee: any person employed under a written contract by this school district.

Immediate Supervisor: the person immediately superior to an employee who directs and supervises the work of that employee.

Working day: Any weekday other than a holiday whether or not the employee under the provisions of their contract is scheduled to work or whether they are currently under contract.

Process

Level One: An employee who believes that he/she has a grievance shall inform that employee’s immediate supervisor that the employee has a potential grievance and discuss the matter with the supervisor within five working days of the occurrence of the grievance. The supervisor shall offer the employee an opportunity to have a witness or representative who is not a member of the employee’s immediate family present at their conference. (The five-day requirement does not apply to grievances concerning back pay.) If the grievance is not advanced to Level Two within five working days following the conference, the matter will be considered resolved and the employee shall have no further right with respect to said grievance.

If the grievance cannot be resolved by the immediate supervisor, the employee can advance the grievance to Level Two. To do this, the employee must complete the top half of the Level Two Grievance Form within five working days of the discussion with the immediate supervisor, citing the manner in which the specific personnel policy was violated that has given rise to the grievance, and submit the Grievance Form to his/her immediate supervisor. The supervisor will have ten working days to respond to the grievance using the bottom half of the Level Two Grievance Form which he/she will submit to the building principal or, in the event that the employee’s immediate supervisor is the building principal, the superintendent.

Level Two (when appeal is to the building principal): Upon receipt of a Level Two Grievance Form, the building principal will have ten working days to schedule a conference with the employee filing the grievance. The principal shall offer the employee an opportunity to have a witness or representative who is not a member of the employee’s immediate family present at their conference. After the conference, the principal will have ten working days in which to deliver a written response to the grievance to the employee. If the grievance is not advanced to Level Three within five working days, the matter will be considered resolved and the employee shall have no further right with respect to said grievance.

Level Two (when appeal is to the superintendent): Upon receipt of a Level Two Grievance Form, the superintendent will have ten working days to schedule a conference with the employee filing the grievance. The

superintendent shall offer the employee an opportunity to have a witness or representative who is not a member of the employee's immediate family present at their conference. After the conference, the superintendent will have ten working days in which to deliver a written response to the grievance to the employee.

Level Three: If the proper recipient of the Level Two Grievance was the building principal, and the employee remains unsatisfied with the written response to the grievance, the employee may advance the grievance to the superintendent by submitting a copy of the Level Two Grievance Form and the principal's reply to the superintendent within five working days of his/her receipt of the principal's reply. The superintendent will have ten working days to schedule a conference with the employee filing the grievance. The superintendent shall offer the employee an opportunity to have a witness or representative who is not a member of the employee's immediate family present at their conference. After the conference, the superintendent will have ten working days in which to deliver a written response to the grievance to the employee.

Appeal to the Board of Directors: An employee who remains unsatisfied by the written response of the superintendent may appeal the superintendent's decision to the Board of Education within five working days of his/her receipt of the Superintendent's written response by submitting a written request for a board hearing to the superintendent. If the grievance is not appealed to the Board of Directors within five working days of his/her receipt of the superintendent's response, the matter will be considered resolved and the employee shall have no further right with respect to said grievance.

The school board will address the grievance at the next regular meeting of the school board, unless the employee agrees in writing to an alternate date for the hearing. After reviewing the Level Two Grievance Form and the superintendent's reply, the board will decide if the grievance, on its face, is grievable under district policy. If the grievance is presented as a "group grievance," the Board shall first determine if the composition of the group meets the definition of a "group grievance." If the Board determines that it is a group grievance, the Board shall then determine whether the matter raised is grievable. If the Board rules the composition of the group does not meet the definition of a group grievance, or the grievance, whether group or individual, is not grievable, the matter shall be considered closed. (Individuals within the disallowed group may choose to subsequently refile their grievance as an individual grievance beginning with Level One of the process.) If the Board rules the grievance to be grievable, they shall immediately commence a hearing on the grievance. All parties have the right to representation by a person of their own choosing who is not a member of the employee's immediate family at the appeal hearing before the Board of Directors. The employee shall have no less than 90 minutes to present his/her grievance and both parties shall have the opportunity to present and question witnesses. The hearing shall be open to the public unless the employee requests a private hearing. If the hearing is open, the parent or guardian of any student under the age of eighteen years who gives testimony may elect to have the student's testimony given in closed session. At the conclusion of the hearing, if the hearing was closed, the Board of Directors may excuse all parties except board members and deliberate, by themselves, on the hearing. 3.26—LICENSED PERSONNEL SEXUAL HARASSMENT

The Calico Rock School District is committed to providing an academic and work environment that treats all students and employees with respect and dignity. Student achievement and amicable working relationships are best attained in an atmosphere of equal educational and employment opportunity that is free of discrimination. Sexual harassment is a form of discrimination that undermines the integrity of the educational and work environment and will not be tolerated.

The District believes the best policy to create an educational and work environment free from sexual harassment is prevention; therefore, the District shall provide informational materials and training to students, parents/legal guardians/other responsible adults, and employees on sexual harassment. The informational materials and training on sexual harassment shall be age appropriate and, when necessary, provided in a language other than English or in an accessible format. The informational materials and training shall include, but are not limited to:

- the nature of sexual harassment;
- The District's written procedures governing the formal complaint grievance process;
- The process for submitting a formal complaint of sexual harassment;
- That the district does not tolerate sexual harassment;
- That students and employees can report inappropriate behavior of a sexual nature without fear of adverse consequences;
- The supports that are available to individuals suffering sexual harassment; and
- The potential discipline for perpetrating sexual harassment.

Definitions

"Complainant" means an individual who is alleged to be the victim of conduct that could constitute sexual harassment.

"Education program or activity" includes locations, events, or circumstances where the District exercised substantial control over both the respondent and the context in which the sexual harassment occurs.

"Formal complaint" means a document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment against a respondent and requesting an investigation of the allegation of sexual harassment.

"Respondent" means an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment.

"Sexual harassment" means conduct on the basis of sex that satisfies one or more of the following:

1. A District employee:
 - a. Conditions the provision of an aid, benefit, or service of the District on an individual's participation in unwelcome sexual conduct; or
 - b. Uses the rejection of unwelcome sexual conduct as the basis for academic decisions affecting that individual;
2. The conduct is:
 - a. Unwelcome; and
 - b. Determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the District's education program or activity; or
3. Constitutes:
 - a. Sexual assault;
 - b. Dating violence
 - c. Domestic violence; or
 - d. Stalking.

“Supportive measures” means individualized services that are offered to the complainant or made available to the respondent designed to restore or preserve equal access to the District’s education program or activity without unreasonably burdening the other party. The supportive measures must be non-disciplinary and non-punitive in nature; offered before or after the filing of a formal complaint or where no formal complaint has been filed; and offered to either party as appropriate, as reasonably available, and without fee or charge. Examples of supportive measures include, but are not limited to: measures designed to protect the safety of all parties or the District’s educational environment, or deter sexual harassment; counseling; extensions of deadlines or other course-related adjustments; modifications of work or class schedules; campus escort services; mutual restrictions on contact between the parties; changes in work or class locations; leaves of absence; and increased security and monitoring of certain areas of the campus.

Within the educational environment, sexual harassment is prohibited between any of the following: students; employees and students; non-employees and students; employees; and employees and non-employees.

Actionable sexual harassment is generally established when an individual is exposed to a pattern of objectionable behaviors or when a single, serious act is committed. What is, or is not, sexual harassment will depend upon all of the surrounding circumstances and may occur regardless of the sex(es) of the individuals involved. Depending upon such circumstances, examples of sexual harassment include, but are not limited to:

- Making sexual propositions or pressuring for sexual activities;
- Unwelcome touching;
- Writing graffiti of a sexual nature;
- Displaying or distributing sexually explicit drawings, pictures, or written materials;
- Performing sexual gestures or touching oneself sexually in front of others;
- Telling sexual or crude jokes;
- Spreading rumors related to a person’s alleged sexual activities;
- Discussions of sexual experiences;
- Rating other students or employees as to sexual activity or performance;
- Circulating or showing e-mails or websites of a sexual nature;
- Intimidation by words, actions, insults, or name calling; and
- Teasing or name-calling related to sexual characteristics or the belief or perception that an individual is not conforming to expected gender roles or conduct or is homosexual, regardless of whether or not the individual self-identifies as homosexual or transgender.

Employees who believe they have been subjected to sexual harassment are encouraged to submit a report to their immediate supervisor, an administrator, or the Title IX coordinator. Under no circumstances shall an employee be required to first report allegations of sexual harassment to a school contact person if that person is the individual who is accused of the sexual harassment. If the District staff member who received a report of alleged sexual harassment is not the Title IX Coordinator, then the District staff person shall inform the Title IX Coordinator of the alleged sexual harassment. As soon as reasonably possible after receiving a report of alleged sexual harassment from another District staff member or after receiving a report directly through any means, the Title IX Coordinator shall contact the complainant to:

- Discuss the availability of supportive measures;
- Consider the complainant’s wishes with respect to supportive measures;
- Inform the complainant of the availability of supportive measures with or without the filing of a formal complaint; and
- Explain to the complainant the process for filing a formal complaint.

Supportive Measures

The District shall offer supportive measures to the complainant and make supportive measures available to the respondent that are designed to restore or preserve equal access to the District's education program or activity without unreasonably burdening the other party before or after the filing of a formal complaint or where no formal complaint has been filed. The District shall provide individualized supportive measures to the complainant unless declined in writing by the complainant and shall make available individualized supportive measures that are non-disciplinary and non-punitive to the respondent. A complainant who initially declined the District's offer of supportive measures may request supportive measures at a later time, and the District shall provide individualized supportive measures based on the circumstances when the subsequent request is received.

Formal Complaint

A formal complaint may be filed with the Title IX Coordinator in person, by mail, or by email. Upon receipt of a formal complaint, a District shall simultaneously provide the following written notice to the parties who are known:

- Notice of the District's grievance process and a copy of the procedures governing the grievance process;
- Notice of the allegations of sexual harassment including sufficient details known at the time and with sufficient time to prepare a response before any initial interview. Sufficient details include:
 - ✚ The identities of the parties involved in the incident, if known;
 - ✚ The conduct allegedly constituting sexual harassment; and
 - ✚ The date and location of the alleged incident, if known;
- A statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the grievance process;
- That the parties may have an advisor of their choice, who may be, but is not required to be, an attorney;
- That the parties may inspect and review evidence relevant to the complaint of sexual harassment; and
- That the District's personnel policies and code of conduct prohibits knowingly making false statements or knowingly submitting false information during the grievance process.

If, in the course of an investigation, the District decides to investigate allegations about the complainant or respondent that are not included in the previous notice, the District shall simultaneously provide notice of the additional allegations to the parties whose identities are known.

The District may consolidate formal complaints of allegations of sexual harassment where the allegations of sexual harassment arise out of the same facts or circumstances and the formal complaints are against more than one respondent; or by more than one complainant against one or more respondents; or by one party against the other party. When the District has consolidated formal complaints so that the grievance process involves more than one complainant or more than one respondent, references to the singular "party", "complainant", or "respondent" include the plural, as applicable.

When investigating a formal complaint and throughout the grievance process, a District shall:

- Ensure that the burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility rest on the District and not on the parties;
- Not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege or access, consider, disclose, or otherwise use a party's records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in the professional's or paraprofessional's capacity, or assisting in that capacity, and which are made and maintained in connection with the provision of treatment to the party unless the District obtains the parent, legal guardian, or other responsible adult of

that party's voluntary, written consent or that party's voluntary, written consent if the party is over the age of eighteen (18) to do so for the grievance process;

- Provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence;
- Not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence;
- Provide the parties with the same opportunities to have others present during any grievance proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney, and not limit the choice or presence of advisor for either the complainant or respondent in any meeting or grievance proceeding;
- Provide, to a party whose participation is invited or expected, written notice of the date, time, location, participants, and purpose of all hearings, investigative interviews, or other meetings, with sufficient time for the party to prepare to participate;
- Provide both parties an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in the formal complaint so that each party can meaningfully respond to the evidence prior to the conclusion of the investigation; this includes evidence:
 - Whether obtained from a party or other source;
 - The District does not intend to rely upon in reaching a determination regarding responsibility; and
 - That is either Inculpatory or exculpatory; and
- Create an investigative report that fairly summarizes relevant evidence.

At least ten (10) days prior to completion of the investigative report, the District shall send to each party and the party's advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy. The parties shall have at least ten (10) days to submit a written response to the evidence. The investigator will consider the written responses prior to completion of the investigative report. All evidence subject to inspection and review shall be available for the parties' inspection and review at any meeting to give each party equal opportunity to refer to such evidence during the meeting.

After the investigative report is sent to the parties, the decision-maker shall:

- Provide each party the opportunity to submit written, relevant questions that a party wants asked of any party or witness;
- Provide each party with the answers;
- Allow for additional, limited follow-up questions from each party; and
- Provide an explanation to the party proposing the questions any decision to exclude a question as not relevant. Specifically, questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the complainant's prior sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the complainant, or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent.

No earlier than ten (10) days following the completion of the investigation period, the decision-maker, who cannot be the same person as the Title IX Coordinator or the investigator, shall issue a written determination regarding responsibility. The written determination shall include—

1. Identification of the allegations potentially constituting sexual harassment;
2. A description of the procedural steps taken from the receipt of the formal complaint through the determination, including:
 - a. Any notifications to the parties;

- b. Interviews with parties and witnesses;
- c. site visits;
- d. Methods used to gather other evidence; and
- e. Hearings held;
3. Findings of fact supporting the determination;
4. Conclusions regarding the application of the District's personnel policies or code of conduct to the facts;
5. A statement of, and rationale for, the result as to each allegation, including:
 - a. A determination regarding responsibility;
 - b. Any disciplinary sanctions imposed on the respondent; and
 - c. Whether remedies designed to restore or preserve equal access to the District's education program or activity will be provided by the District to the complainant; and
6. The procedures and permissible bases for the complainant and respondent to appeal.

The written determination shall be provided to the parties simultaneously. The determination regarding responsibility shall become final on the earlier of:

- If an appeal is not filed, the day after the period for an appeal to be filed expires; or
- If an appeal is filed, the date the written determination of the result of the appeal is provided to the parties.

The District shall investigate the allegations in a formal complaint. If the conduct alleged in the formal complaint would not constitute sexual harassment as defined in this policy even if proved; did not occur in the District's education program or activity; or did not occur against a person in the United States, then the District shall dismiss the complaint as not meeting the definition of sexual harassment under this policy. A dismissal for these reasons does not preclude action under another provision of the District's personnel policies or code of conduct.

The District may dismiss the formal complaint or any allegations therein, if at any time during the grievance process:

- The complainant notifies the Title IX Coordinator in writing that the complainant would like to withdraw the formal complaint or any allegations therein;
- The respondent is no longer enrolled at the District; or
- Specific circumstances prevent the District from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.

Upon the dismissal of a formal complaint for any reason, the District shall promptly send written notice of the dismissal and reason(s) for the dismissal simultaneously to the parties.

The District may hire an individual or individuals to conduct the investigation or to act as the determination-maker when necessary.

Appeals

Either party may appeal a determination regarding responsibility or from a dismissal of a formal complaint or any allegations therein, on the following bases:

- a. The existence of a procedural irregularity that affected the outcome of the matter;
- b. Discovery of new evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter;
- c. The Title IX Coordinator, investigator, or decision-maker had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter; or

- d. An appeal of the disciplinary sanctions from the initial determination.

For all appeals, the District shall:

1. Notify the other party in writing when an appeal is filed;
2. Simultaneously Provide all parties a written copy of the District's procedures governing the appeal process;
3. Implement appeal procedures equally for both parties;
4. Ensure that the decision-maker for the appeal is not the same person as the decision-maker that reached the original determination regarding responsibility or dismissal, the investigator, or the Title IX Coordinator;
5. Provide all parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome;
6. Issue a written decision describing the result of the appeal and the rationale for the result; and
7. Provide the written decision simultaneously to both parties.

Confidentiality

Reports of sexual harassment, both informal reports and formal complaints, will be treated in a confidential manner to the extent possible. Limited disclosure may be provided to:

- individuals who are responsible for handling the District's investigation and determination of responsibility to the extent necessary to complete the District's grievance process;
- Submit a report to the child maltreatment hotline;
- Submit a report to the Professional Licensure Standards Board for reports alleging sexual harassment by an employee towards a student; or
- The extent necessary to provide either party due process during the grievance process.

Except as listed above, the District shall keep confidential the identity of:

-  Any individual who has made a report or complaint of sex discrimination;
-  Any individual who has made a report or filed a formal complaint of sexual harassment;
-  Any complainant;
-  Any individual who has been reported to be the perpetrator of sex discrimination;
-  Any respondent; and
-  Any witness.

Any supportive measures provided to the complainant or respondent shall be kept confidential to the extent that maintaining such confidentiality does not impair the ability of the District to provide the supportive measures.

Administrative Leave

The District may place a non-student employee respondent on administrative leave during the pendency of the District's grievance process.

Retaliation Prohibited

Employees who submit a report or file a formal complaint of sexual harassment,; testified; assisted; or participate or refused to participate in any manner in an investigation, proceeding, or hearing on sexual harassment shall not be subjected to retaliation or reprisal in any form, including threats; intimidation; coercion; discrimination; or charges for personnel policy violations that do not involve sex discrimination or sexual harassment, arise out of the same facts or circumstances as a report or formal complaint of sex discrimination, and are made for the purpose of interfering with any right or privilege under this policy. The District shall take steps to prevent retaliation and shall take immediate action if any form of retaliation occurs regardless of whether the retaliatory acts are by District officials, students, or third parties.

Disciplinary Sanctions

It shall be a violation of this policy for any student or employee to be subjected to, or to subject another person to, sexual harassment. Following the completion of the District's grievance process, any employee who is found by the evidence to more likely than not have engaged in sexual harassment will be subject to disciplinary action up to, and including, termination. No disciplinary sanction or other action that is not a supportive measure may be taken against a respondent until the conclusion of the grievance process.

Employees who knowingly fabricate allegations of sexual harassment or purposely provide inaccurate facts shall be subject to disciplinary action up to and including termination. A determination that the allegations do not rise to the level of sexual harassment alone is not sufficient to conclude that any party made a false allegation or materially false statement in bad faith.

Records

The District shall maintain the following records for a minimum of seven (7) years:

- Each sexual harassment investigation including:
- Any determination regarding responsibility;
- any disciplinary sanctions imposed on the respondent;
- Any remedies provided to the complainant designed to restore or preserve equal access to the District's education program or activity;
- Any appeal and the result therefrom;
- All materials used to train Title IX Coordinators, investigators, and decision-makers;
- Any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment, which must include:
 - The basis for the District's conclusion that its response was not deliberately indifferent; and
 - Document:
 - If supportive measures were provided to the complainant, the supportive measures taken designed to restore or preserve equal access to the District's education program or activity; or
 - If no supportive measures were provided to a complainant, document the reasons why such a response was not clearly unreasonable in light of the known circumstances.

The district recognizes the importance of communication between teachers and parents/legal guardians. To help promote positive communication, parent/teacher conferences shall be held once each semester. Parent-teacher conferences are encouraged and may be requested by parents or guardians when they feel they need to discuss their child's progress with his/her teacher.

Teachers are required to communicate during the school year with the parent(s), legal guardian(s), or care-giving adult or adults in a student's home to discuss the student's academic progress unless the student has been placed in the custody of the Department of Human Services and the school has received a court order prohibiting parent or legal guardian participation in parent/teacher conferences. 3.31—DRUG FREE WORKPLACE - LICENSED PERSONNEL

The conduct of district staff plays a vital role in the social and behavioral development of our students. It is equally important that the staff have a safe, healthful, and professional environment in which to work. To help promote both interests, the district shall have a drug free workplace. It is, therefore, the district's policy that district employees are prohibited from the unlawful manufacture, distribution, dispensation, possession, or use of controlled substances, illegal drugs, inhalants, alcohol, as well as inappropriate or illegal use of prescription drugs. Such actions are prohibited both while at work or in the performance of official duties while off district property; violations of this policy will subject the employee to discipline, up to and including termination.

To help promote a drug free workplace, the district shall establish a drug-free awareness program to inform employees about the dangers of drug abuse in the workplace, the district's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance abuse programs, and the

penalties that may be imposed upon employees for drug abuse violations. (Care Center Ministries and John 3:16)

Should any employee be found to have been under the influence of, or in illegal possession of, any illegal drug or controlled substance, whether or not engaged in any school or school-related activity, and the behavior of the employee, if under the influence, is such that it is inappropriate for a school employee in the opinion of the superintendent, the employee may be subject to discipline, up to and including termination. This policy also applies to those employees who are under the influence of alcohol while on campus or at school-sponsored functions, including athletic events.

An employee living on campus or on school owned property is permitted to possess alcohol in his/her residence. The employee is bound by the restrictions stated in this policy while at work or performing his/her official duties.

Possession, use or distribution of drug paraphernalia by any employee, whether or not engaged in school or school-related activities, may subject the employee to discipline, up to and including termination. Possession in one's vehicle or in an area subject to the employee's control will be considered to be possession as though the substance were on the employee's person.

It shall not be necessary for an employee to test at a level demonstrating intoxication by any substance in order to be subject to the terms of this policy. Any physical manifestation of being under the influence of a substance may subject an employee to the terms of this policy. Those physical manifestations include, but are not limited to: unsteadiness; slurred speech; dilated or constricted pupils; incoherent and/or irrational speech; or the presence of an odor associated with a prohibited substance on one's breath or clothing.

Should an employee desire to provide the District with the results of a blood, breath or urine analysis, such results will be taken into account by the District only if the sample is provided within a time range that could provide meaningful results and only by a testing agency chosen or approved by the District. The District shall not request that the employee be tested, and the expense for such voluntary testing shall be borne by the employee.

Any incident at work resulting in injury to the employee requiring medical attention shall require the employee to submit to a drug test, which shall be paid at the District's workers' compensation carrier's expense. Failure for the employee to submit to the drug test or a confirmed positive drug test indicating the use of illegal substances or the misuse of prescription medications shall be grounds for the denial of worker's compensation benefits in accordance with policy 3.44—LICENSED PERSONNEL WORKPLACE INJURIES AND WORKERS' COMPENSATION.²

Any employee who is charged with a violation of any state or federal law relating to the possession, use or distribution of illegal drugs, other controlled substances or alcohol, or of drug paraphernalia, must notify his/her immediate supervisor within five (5) week days (i.e., Monday through Friday, inclusive, excluding holidays) of being so charged. The supervisor who is notified of such a charge shall notify the Superintendent immediately.

If the supervisor is not available to the employee, the employee shall notify the Superintendent within the five (5) day period.

Any employee so charged is subject to discipline, up to and including termination. However, the failure of an employee to notify his or her supervisor or the Superintendent of having been so charged shall result in that employee being recommended for termination by the Superintendent.

Any employee convicted of any criminal drug statute violation for an offense that occurred while at work or in the performance of official duties while off district property shall report the conviction within 5 calendar days to the superintendent. Within 10 days of receiving such notification, whether from the employee or any other source, the district shall notify federal granting agencies from which it receives funds of the conviction. Compliance with these requirements and prohibitions is mandatory and is a condition of employment.

Any employee convicted of any state or federal law relating to the possession, use or distribution of illegal drugs, other controlled substances, or of drug paraphernalia, shall be recommended for termination.

Any employee who must take prescription medication at the direction of the employee's physician, and who is impaired by the prescription medication such that he/she cannot properly perform his/her duties shall not report for duty. Any employee who reports for duty and is so impaired, as determined by his/her supervisor, will be sent home. The employee shall be given sick leave, if owed any. The District or employee will provide transportation for the employee, and the employee may not leave campus while operating any vehicle. It is the responsibility of the employee to contact his/her physician in order to adjust the medication, if possible, so that the employee may return to his/her job unimpaired. Should the employee attempt to return to work while impaired by prescription medications, for which the employee has a prescription, he/she will, again, be sent home and given sick leave, if owed any. Should the employee attempt to return to work while impaired by prescription medication a third time the employee may be subject to discipline, up to and including a recommendation of termination.

Any employee who possesses, uses, distributes or is under the influence of a prescription medication obtained by a means other than his/her own current prescription shall be treated as though he was in possession, possession with intent to deliver, or under the influence, etc. of an illegal substance. An illegal drug or other substance is one which is (a) not legally obtainable; or (b) one which is legally obtainable, but which has been obtained illegally. The District may require an employee to provide proof from his/her physician and/or pharmacist that the employee is lawfully able to receive such medication. Failure to provide such proof, to the satisfaction of the Superintendent, may result in discipline, up to and including a recommendation of termination.

A report to the appropriate licensing agency shall be filed within seven (7) days of:

- 1) A final disciplinary action taken against an employee resulting from the diversion, misuse, or abuse of illicit drugs or controlled substances; or
- 2) The voluntary resignation of an employee who is facing a pending disciplinary action resulting from the diversion, misuse, or abuse of illicit drugs or controlled substances.

The report filed with the licensing authority shall include, but not be limited to:

- The name, address, and telephone number of the person who is the subject of the report; and
- A description of the facts giving rise to the issuance of the report.

When the employee is not a healthcare professional, law enforcement will be contacted regarding any final disciplinary action taken against an employee for the diversion of controlled substances to one (1) or more third parties.

3.32—LICENSED PERSONNEL FAMILY MEDICAL LEAVE

The Family and Medical Leave Act (FMLA) leave offers job protection for what might otherwise be considered excessive absences. Employees need to carefully comply with this policy to ensure they do not lose FMLA protection due to inaction or failure to provide the District with needed information. The FMLA provides up to 12 work weeks (or in some cases 26 weeks) of job-protected leave to eligible employees with absences that qualify under the FMLA. While an employee can request FMLA leave and has a duty to inform the District as provided in this policy of foreseeable absences that may qualify for FMLA leave, it is the District's ultimate responsibility to identify qualifying absences as FMLA or non-FMLA. FMLA leave is unpaid, except to the extent that paid leave applies to any given absence as governed by the FMLA and this policy.

Working at another Job while Taking FMLA for Personal or Family Serious Medical Condition

No employee on FMLA leave for their own serious medical condition may perform work at another, non-district job while on FMLA leave. Except as provided in policy 3.44, employees who do perform work at another, non-district job while on FMLA leave for their own serious medical condition will be subject to discipline, which could include termination or nonrenewal of their contract of employment.

No employee on FMLA leave for the serious medical condition of a family member may perform work at another, non-district job while on FMLA leave. Employees who do perform work at another, non-district job while on FMLA leave for the serious medical condition of a family member will be subject to discipline, which could include termination or nonrenewal of their contract of employment.

3.33—ASSIGNMENT OF EXTRA DUTIES FOR LICENSED PERSONNEL

From time to time extra duties may be assigned to licensed personnel by the school principal or the Superintendent as circumstances dictate.

3.34—LICENSED PERSONNEL CELL PHONE USE

Use of cell phones or other electronic communication devices by employees during instructional time for other than instructional purposes is strictly forbidden unless specifically approved in advance by the superintendent, building principal, or their designees. In addition to the language in this policy, the use of District provided cell phones is governed by Policy 3.28—LICENSED PERSONNEL TECHNOLOGY USE POLICY.

District staff shall not be given cell phones for any purpose other than their specific use associated with school business. School employees who use school issued cell phones for non-school purposes, except as permitted by District policy, shall be subject to discipline, up to and including termination. School employees who are issued District cell phones due to the requirements of their position may use the phone for personal use on an "as needed" basis provided it is not during instructional time.

Except when authorized in Policy 3.51—SCHOOL BUS DRIVER'S USE OF MOBILE COMMUNICATION DEVICES, all employees are forbidden from using school issued cell phones while driving any vehicle at any time. Violation may result in disciplinary action up to and including termination.

Except when authorized in Policy 3.51—SCHOOL BUS DRIVER'S USE OF MOBILE COMMUNICATION DEVICES, no employee shall use any device for the purposes of browsing the internet; composing or reading emails and text messages; or making or answering phone calls while driving a motor vehicle which is in motion and on school property. Violation may result in disciplinary action up to and including termination.

3. 2 to 4 personal days (Refer to 3.11: Licensed Personnel Personal Leave)
4. Free entrance to sports functions

3.36—LICENSED PERSONNEL RENEWAL AND TERMINATION

Renewal

When determining whether to make a recommendation of renewal of an employee’s contract to the District’s Board of Directors, the superintendent, with input from the appropriate employee’s supervisor, shall make the determination based upon the following, as applicable:

1. Effectiveness, including the employee’s evaluations;
 2. Performance, including disciplinary infractions;
 3. Qualifications, including licensure areas, relevant education degrees, and the educator career continuum.
- Seniority shall be used in determining whether or not an employee shall be renewed only when determining whom to renew and all else is equal between the employees in question.

If the superintendent finds probable cause that an employee has engaged in sexual misconduct with a minor, then the superintendent shall not recommend the renewal of the employee.

Following the superintendent’s recommendation for renewal and approval by the Board, a copy of the next year’s employment contract shall be provided to each employee.

Termination

The superintendent is empowered to make a recommendation to terminate an employee’s employment contract to the Board for an employee’s violation of District policies; State or Federal laws; State Rules; or Federal regulations. If the superintendent determines that it is necessary to make a recommendation for termination, the superintendent shall provide the employee written notice of the superintendent’s intention to recommend that the employee be terminated. The written notice may be mailed to the employee’s address on file with the District, e-mailed to the employee’s District provided e-mail address, or hand delivered to the employee. The written notice shall contain a statement:

- Of the grounds for the recommendation of termination that are set forth in separately numbered paragraphs;
- Of the date, time, and location when the superintendent’s recommendation for termination shall be presented to the Board, which shall be no earlier than ten (10) days and no later than the next regular

scheduled Board meeting following the ten (10) day period unless another date is agreed to in writing by the superintendent and the employee;

- That time shall be provided for the employee to provide a defense against the recommendation for termination at a hearing before the Board;
- That the employee has the right to be represented by legal counsel at the hearing;
- That the hearing before the Board shall be open to the public; and
- That the superintendent shall present the reason for recommending termination of the employee to the Board in executive session should the employee choose not to attend the hearing or choose not to provide a defense at the hearing.

The superintendent shall provide the employee written notification of the Board's decision regarding the recommendation for termination as soon as possible by mail to the employee's address on file with the District, e-mail to the employee's District provided e-mail address, or hand delivery to the employee.

3.37—ASSIGNMENT OF TEACHER AIDES

The assignment of teacher aides shall be made by the principal or his/her designee. Changes in the assignments may be made as necessary due to changes in the student population, teacher changes, and to best meet the educational needs of the students.

The person or persons reporting behavior they consider to be bullying shall not be subject to retaliation or reprisal in any form.

District staff are required to help enforce implementation of the district's anti-bullying policy. Students who bully another person are to be held accountable for their actions whether they occur on school equipment or property; off school property at a school-sponsored or school-approved function, activity, or event; going to or from school or a school activity in a school vehicle or school bus; or at designated school bus stops. Students are encouraged to report behavior they consider to be bullying, including a single action which if allowed to continue would constitute bullying, to their teacher or the building principal. The report may be made anonymously.

A building principal, or designee, who receives a credible report or complaint of bullying shall:

1. As soon as reasonably practicable, but by no later than the end of the school day following the receipt of the credible report of bullying:

Actions by a District employee towards a student that would constitute bullying if the act had been performed by a student shall result in disciplinary action, up to and including termination. This policy governs bullying directed towards students and is not applicable to adult on adult interactions. Therefore, this policy does not apply to interactions between employees. Employees may report workplace conflicts to their supervisor.¹ In addition to any disciplinary actions, the District shall take appropriate steps to remedy the effects resulting from bullying.

To prevent multiple, simultaneous investigations into the same alleged conduct, if the facts that support an alleged incident of bullying may also constitute a violation of another District policy; State or Federal law; State rule; or Federal regulation, then the District shall investigate and dispose of the alleged incident of bullying in accordance with the other applicable District policy; State or Federal law; State rule; or federal regulation in lieu of the requirements of this policy.

3.39- LICENSED PERSONNEL EXTRA DUTY/SCHOOL SPONSORED EVENTS

Extra Duty

1. No teacher shall be required to sponsor more than one club or organization in addition to sponsoring a class. No teacher not having a homeroom shall be required to sponsor more than two organizations.
2. Each teacher shall notify the principal at least two weeks in advance of any activity he/she will sponsor so it can be placed on the calendar.
3. All full-time employees are admitted free to regular season basketball games. This excludes tournaments held at our school.
4. A teacher hired to fill a vacated position may assume the sponsorship of grade or organization the previous teacher held if qualified.
5. All secondary faculty except those who have designated duties will rotate class sponsorship.

School Sponsored Events

1. The faculty is encouraged to attend school-sponsored events in an effort into show support for students, and to provide for public relation. Therefore, faculty members will not be charged admission for attendance.
2. The following school sponsored events will require attendance by the faculty. If a faculty member cannot be in attendance, they will notify the building principal. Such notification should, if possible or appropriate, include a reason for not attending.
 - A. Open House and Parent Conferences: K-12 Faculty

- B. High School Graduation: K-12 Faculty
- C. Elementary Academic Awards Programs: K-6 Faculty
- D. Secondary Academic Awards Programs: 7-12 Faculty
- E. Any event or activity of which a faculty member is a sponsor or co-sponsor.

3.40 LICENSURE (CERTIFICATION) AND TUITION PAYMENT

Due to shortages in certain teacher licensure areas identified by the state and the need at times of the School District having teachers with multiple certifications, the Board sets the following guidelines for licensure and tuition payments.

1. To assist a teacher already employed by the District to obtain certification in an additional area for which they were not originally hired and upon the recommendation of the Superintendent and written agreement by the teacher to complete all required courses, the Calico Rock School District will pay \$500 toward the cost of each course for additional certification, up to three courses. Payment will be made within the month of verification of enrollment in the specific course required. If the course is not successfully completed, the teacher will reimburse the payment to the District. Each course will count 15 hours toward the required 60 hours of teacher in-service up to 30 hours per year. The District will also pay the cost of the required area Praxis.

3.40.1—LICENSED PERSONNEL DUTIES AS MANDATED REPORTERS

It is the statutory duty of school district employees to:

- If the employee has reasonable cause to suspect child abuse or maltreatment, then the employee shall directly and personally report these suspicions to the Arkansas Child Abuse Hotline; by calling 1-800-482-5964; by calling the child maltreatment hotline at 1-800-482-5964 and submitting a report through fax to the child maltreatment hotline; or if the employee can demonstrate that the child maltreatment, neglect, or abuse is not an emergency, then the employee may notify the child maltreatment hotline through submission of a fax only. Failure to report
- suspected child abuse, maltreatment, or neglect through the Hotline can lead to criminal prosecution and individual civil liability of the person who has this duty. Notification of local or state law enforcement does not satisfy the duty to report; only notification by means of the Child Abuse Hotline discharges this duty.
- If the employee has a good faith belief that there is a serious and imminent threat to the public based on a threat made by an individual regarding violence in or targeted at a school that has been communicated to the employee in the ordinary course of his/her professional duties, then the employee shall make every attempt to immediately notify law enforcement of the serious and imminent threat to the public and have notified law enforcement within twenty-four (24) hours of learning of the serious and imminent threat to the public.

The duty of mandated reporters to report suspected child abuse or maltreatment or serious and imminent threats to the public is a direct and personal duty, and cannot be assigned or delegated to another person. There is no duty to investigate, confirm or substantiate statements a student may have made which form the basis of the reasonable cause to believe that the student may have been abused or subjected to maltreatment by another person or that form the basis of the serious and imminent threat to the public; however, a person with a duty to report may find it helpful to make a limited inquiry to assist in the formation of a belief that child abuse, maltreatment, or neglect has occurred; that a serious and imminent threat to the public exists; or to rule out such a belief.

Employees and volunteers who notify the Child Abuse Hotline or who report serious and imminent threats to the public to law enforcement in good faith are immune from civil liability and criminal prosecution.

By law, no school district or school district employee may prohibit or restrict an employee or volunteer from directly reporting suspected child abuse, maltreatment, or a serious and imminent threat to the public, or require that any person notify or seek permission from any person before making a report to the Child Abuse Hotline or law enforcement.

3.41—LICENSED PERSONNEL VIDEO SURVEILLANCE AND OTHER MONITORING

The Board of Directors has a responsibility to maintain discipline, protect the safety, security, and welfare of its students, staff, and visitors while at the same time safeguarding district facilities, vehicles, and equipment. As part of fulfilling this responsibility, the board authorizes the use of video/audio surveillance cameras, automatic

identification, data compilation devices, and technology capable of tracking the physical location of district equipment, students, and/or personnel.

The placement of video/audio surveillance cameras shall be based on the presumption and belief that students, staff and visitors have no reasonable expectation of privacy anywhere on or near school property, facilities, vehicles, or equipment, with the exception of places such as rest rooms or dressing areas where an expectation of bodily privacy is reasonable and customary.

Signs shall be posted on district property and in or on district vehicles to notify students, staff, and visitors that video cameras may be in use³. Violations of school personnel policies or laws caught by the cameras and other technologies authorized in this policy may result in disciplinary action.

The district shall retain copies of video recordings until they are erased which may be accomplished by either deletion or copying over with a new recording.

Videos, automatic identification, or data compilations containing evidence of a violation of district personnel policies and/or state or federal law shall be retained until the issue of the misconduct is no longer subject to review or appeal as determined by board policy or staff handbook; any release or viewing of such records shall be in accordance with current law.

Staff who vandalize, damage, defeat, disable, or render inoperable (temporarily or permanently) surveillance cameras and equipment, automatic identification, or data compilation devices shall be subject to appropriate disciplinary action and referral to appropriate law enforcement authorities.

Video recordings and automatic identification or data compilation records may become a part of a staff member's personnel record.

3.42—OBTAINING and RELEASING STUDENT'S FREE AND REDUCED PRICE MEAL ELIGIBILITY INFORMATION

Obtaining Eligibility Information

A fundamental underpinning of the National School Lunch and School Breakfast Programs (Programs) is that in their implementation, there will be no physical segregation of, discrimination against, or overt identification of children who are eligible for the Program's benefits. While the requirements of the Programs are defined in much greater detail in federal statutes and pertinent Code of Federal Regulations, this policy is designed to help employees understand prohibitions on how the student information is obtained and/or released through the Programs. Employees with the

greatest responsibility for implementing and monitoring the Programs should obtain the training necessary to become fully aware of the nuances of their responsibilities.

The District is required to inform households with children enrolled in District schools of the availability of the Programs and of how the household may apply for Program benefits. However, the District and anyone employed by the district is

strictly forbidden from **requiring** any household or student within a household from submitting an application to participate in the program. There are NO exceptions to this prohibition and it would apply, for example, to the offer of

incentives for completed forms, or disincentives or negative consequences for failing to submit or complete an application. Put simply, federal law requires that the names of the children shall not be published, posted or announced in any manner.

In addition to potential federal criminal penalties that may be filed against a staff member who violates this prohibition¹, the employee shall be subject to discipline up to and including termination.

Releasing Eligibility Information

As part of the district's participation in the National School Lunch Program and the School Breakfast Program, the district collects eligibility data from its students. The data's confidentiality is very important and is governed by federal law. The district has made the determination to release student eligibility status or information² as permitted by law. Federal law governs how eligibility data may be released and to whom. The district will take the following steps to ensure its confidentiality:

Some data may be released to government agencies or programs authorized by law to receive such data without parental consent, while other data may only be released after obtaining parental consent. In both instances, allowable information

shall only be released on a need to know basis to individuals authorized to receive the data. The recipients shall sign an agreement with the district specifying the names or titles of the persons who may have access to the eligibility information. The agreement shall further specify the specific purpose(s) for which the data will be used and how the recipient(s) shall protect the data from further, unauthorized disclosures.

The superintendent shall designate the staff member(s) responsible for making eligibility determinations. Release of eligibility information to other district staff shall be limited to as few individuals as possible who shall have a specific need to know such information to perform their job responsibilities. Principals, counselors, teachers, and administrators shall not have routine access to eligibility information or status.

Each staff person with access to individual eligibility information shall be notified of their personal liability for its unauthorized disclosure and shall receive appropriate training on the laws governing the restrictions of such information.¹

3.43 – DUTY OF LICENSED EMPLOYEES TO MAINTAIN LICENSE IN GOOD STANDING

It is the responsibility of each licensed employee, and not the district, to keep the employee's license continuously renewed with no lapses in licensure, and in good standing with the State Board of Education. Failure of a licensed employee to do so will be grounds for termination.

Legal Reference: A.C.A. § 6-17-401

3.44 – LICENSED PERSONNEL WORKPLACE INJURIES AND WORKERS' COMPENSATION

The district provides Workers' Compensation (WC) Insurance, as required by law. Employees who sustain **any** injury at work must immediately notify their immediate supervisor, or in the absence of their immediate supervisor notify an administrator. An injured employee must fill out a Form N and the employee's supervisor will determine whether to report the claim or to file the paperwork if the injury requires neither medical treatment or lost work time. While many injuries will require no medical treatment or time lost at work, should the need for treatment arise later, it is important that

there be a record that the injury occurred. All employees have a duty to provide information and make statements as requested for the purposes of the claim assessment and investigation.

The District may discipline an employee, up to and including termination of the employee's contract, if it is discovered that the employee:

1. Deliberately made false statements concerning the origin of an injury or the circumstances surrounding the injury; or
 2. submitted a WC claim that the employee knew to be based substantially or entirely on false information.
- An employee shall not be disciplined solely because the District's WC carrier denied the employee's WC claim.

For injuries requiring medical attention, the district will exercise its right to designate the initial treating physician and an injured employee will be directed to seek medical attention, if necessary, from a specific physician or clinic.

A WC absence may run concurrently with FMLA leave (policy 3.32) when the injury is one that meets the criteria for a serious health condition. To the extent that WC benefits and FMLA leave run concurrently, the employee will be charged for any paid leave accrued by the employee at the rate necessary to bring the total amount of combined income up to 100% of usual contracted daily rate of pay. If the health care provider treating the employee for the WC injury certifies the employee is able to return to a "light duty job," but is unable to return to the employee's same or equivalent job, the employee may decline the District's offer of a "light duty job." As a result, the employee may lose his/her WC payments, but for the duration of the employee's FMLA leave, the employee will be paid for the leave to the extent that the employee has accrued applicable leave.

Employees who are absent from work in the school district due to a WC claim may not work at a non-district job until they have returned to full duties at their same or equivalent district job; those who violate this prohibition may be subject to discipline up to and including termination. This prohibition does NOT apply to an employee whose has been cleared by his/her doctor to return to "light duty" but the District has no such position available for the employee and the employee's second job qualifies as "light duty".

To the extent an employee has accrued sick leave and a WC claim has been filed:

- the employee will be charged for a day's sick leave for all days missed until such time as the WC claim has been approved or denied;
- to bring the total amount of combined income up to 100% of the employee's usual contracted daily rate of an employee whose WC claim is accepted by the WC insurance carrier as compensable and who is absent for eight (8) or more days shall be charged sick leave at the rate necessary, when combined with WC benefits, pay;
- an employee whose WC claim is accepted by the WC insurance carrier as compensable and is absent for fourteen (14) or more days will be credited back that portion of sick leave for the first seven (7) days of absence that is not necessary to have brought the total amount of combined income up to 100% of the employee's usual contracted gross pay.

3.45—LICENSED PERSONNEL SOCIAL NETWORKING AND ETHICS

Definitions

“Social Media Account” means a personal, individual, and non-work related account with an electronic medium or service where users may create, share, or view user-generated content, including videos, photographs, blogs, podcasts, messages, emails or website profiles or locations, such as Facebook, LinkedIn, or Instagram.

“Professional/education Social Media Account” means an account with an electronic medium or service where users may create, share, or view user-generated content, including videos, photographs, blogs, podcasts, messages, emails or website profiles or locations, such as Facebook, LinkedIn, or Instagram.

“Blogs” means a type of networking and can be either social or professional in their orientation. Professional blogs are encouraged and can provide a place for teachers to post homework, keep parents up-to-date, and interact with students concerning school related activities. Social blogs are discouraged to the extent they involve teachers and students in a non-education oriented format.

Policy

Technology used appropriately gives faculty new opportunities to engage students. District staff are encouraged to use educational technology, the Internet, and professional/education social networks to raise student achievement and to improve communication with parents and students. Technology and social media accounts also offer staff many ways they can present themselves unprofessionally and/or interact with students inappropriately.

It is the duty of each staff member to appropriately manage all interactions with students, regardless of whether contact or interaction with a student occurs face-to-face or by means of technology, to ensure that the appropriate staff/student relationship is maintained. This includes instances when students initiate contact or behave inappropriately themselves.

Public school employees are, and always have been, held to a high standard of behavior. Staff members are reminded that whether specific sorts of contacts are permitted or not specifically forbidden by policy, they will be held to a high standard of conduct in all their interactions with students. Failure to create, enforce and maintain appropriate professional and interpersonal boundaries with students could adversely affect the District’s relationship with the community and jeopardize the employee’s employment with the district.

The Division of Elementary and Secondary Education (DESE) *Rules Governing the Code of Ethics for Arkansas Educators* requires District staff to maintain a professional relationship with each student, both in and outside the classroom. The School Board of Directors encourages all staff to read and become familiar with the Rules. Conduct in violation of the DESE *Rules Governing the Code of Ethics for Arkansas Educators*, including, but not limited to conduct relating to the inappropriate use of technology or online resources, may be reported to the Professional Licensure Standards Board (PLSB) and may form the basis for disciplinary action up to and including termination.

Staff members are discouraged from creating personal social media accounts to which they invite students to be friends or followers.¹ Employees taking such action do so at their own risk and are advised to monitor the site’s privacy settings regularly.

District employees may set up blogs and other professional/education social media accounts using District resources and following District guidelines to promote communications with students, parents, and the

community concerning school-related activities and for the purpose of supplementing classroom instruction. Accessing professional/education social media during school hours is permitted.

Staff are reminded that the same relationship, exchange, interaction, information, or behavior that would be unacceptable in a non-technological medium, is unacceptable when done through the use of technology. In fact, due to the vastly increased potential audience that digital dissemination presents, extra caution must be exercised by staff to ensure they don't cross the line of acceptability. A good rule of thumb for staff to use is, "if you wouldn't say it in class, don't say it online."

Whether permitted or not specifically forbidden by policy, or when expressed in an adult-to-adult, face-to-face context, what in other mediums of expression could remain private opinions, including "likes" or comments that endorse or support the message or speech of another person, when expressed by staff on a social media website, have the potential to be disseminated far beyond the speaker's desire or intention. This could undermine the public's perception of the individual's fitness to educate students, thus undermining the teacher's effectiveness. In this way, the expression and publication of such opinions could potentially lead to disciplinary action being taken against the staff member, up to and including termination of the contract of employment.

Accessing social media websites for personal use during school hours is prohibited, except during breaks or preparation periods. Staff are discouraged from accessing social media websites on personal equipment during their breaks and/or preparation periods because, while this is not prohibited, it may give the public the appearance that such access is occurring during instructional time. Except when expressly authorized by the employee's job duties, staff shall not access social media websites using district equipment at any time, including during breaks or preparation periods, except in an emergency situation or with the express prior permission of school administration. Except when expressly authorized by the District employee's job duties and when District procedures have been followed, all school district employees who participate in social media websites shall not post any school district data, documents, photographs taken at school or of students, logos, or other district owned or created information on any website. Further, the posting of any private or confidential school district material on such websites is strictly prohibited. The posting of prohibited material or posting without following proper procedures may result in disciplinary action against the District employee, up to and including termination.

Specifically, the following forms of technology based interactivity or connectivity are expressly permitted or forbidden:

Privacy of Employee's Social Media Accounts

In compliance with A.C.A. § 11-2-124, the District shall not require, request, suggest, or cause a current or prospective employee to:

1. Except as permitted below, disclose the username and/or password to his/her personal social media account;
2. Add an employee, supervisor, or administrator to the list of contacts associated with his/her personal social media account;
3. Change the privacy settings associated with his/her personal social media account; or
4. Retaliate against the employee for refusing to disclose the username and/or password to his/her personal social media account.

The District may require an employee to disclose his or her username and/or password to a personal social media account if the employee's personal social media account activity is reasonably believed to be relevant to the investigation of an allegation of an employee violating district policy; local laws; state laws and rules; or federal laws and regulations. If such an investigation occurs, and the employee refuses, upon request, to supply

the username and/or password required to make an investigation, disciplinary action may be taken against the employee, which could include termination of the employee's contract of employment with the District.

Notwithstanding any other provision in this policy, the District reserves the right to view any information about a current or prospective employee that is publicly available on the Internet.

In the event that the district inadvertently obtains access to information that would enable the district to have access to an employee's personal social media account, the district will not use this information to gain access to the employee's social media account. However, disciplinary action may be taken against an employee in accordance with other District policy for using district equipment or network capability to access such an account. Employees have no expectation of privacy in their use of District issued computers, other electronic device, or use of the District's network. 3.47—DEPOSITING COLLECTED FUNDS

From time to time, staff members may collect funds in the course of their employment. It is the responsibility of any staff member to deposit such funds they have collected daily into the appropriate accounts for which they have been collected. The Superintendent or his/her designee shall be responsible for determining the need for receipts for funds collected and other record keeping requirements and of notifying staff of the requirements.

Staff that use any funds collected in the course of their employment for personal purposes, or who deposit such funds in a personal account, may be subject to discipline up to and including termination.

3.48—LICENSED PERSONNEL WEAPONS ON CAMPUS

Firearms

Except as permitted by this policy, no employee of this school district, including those who may possess a "concealed carry permit," shall possess a firearm on any District school campus or in or upon any school bus or at a District designated bus stop.

Employees who meet one or more of the following conditions are permitted to bring a firearm onto school property.

- He/she is participating in a school-approved educational course or program involving the use of firearms such as ROTC programs, hunting safety or military education, or before or after-school hunting or rifle clubs;
- The firearms are securely stored and located in an employee's on-campus personal residence and/or immediately adjacent parking area;
- He/she is a registered, commissioned security guard acting in the course and scope of his/her duties.

Possession of a firearm by a school district employee who does not fall under any of the above categories anywhere on school property, including parking areas and in or upon a school bus, will result in disciplinary action being taken against the employee, which may include termination or nonrenewal of the employee.

Other Weapons

An employee may possess a pocket knife which for the purpose of this policy is defined as a knife that can be folded into a case and has a blade or blades of less than three (3) inches or less each. An employee may carry, for the purpose of self-defense, a small container of tear gas or mace which for the purpose of this policy is defined as having a capacity of 150cc

or less. Employees are expected to safeguard such items in such a way as to ensure they are not possessed by students. Such items are not to be used against students, parents or other school district employees. Possession of weapons, knives

or self-defense items that do not comply with the limits contained herein, the failure of an employee to safeguard such items, or the use of such items against students, parents or other school district employees may result in disciplinary action being taken against the employee, which may include termination or nonrenewal of the employee.

3.49—TEACHERS' REMOVAL OF STUDENT FROM CLASSROOM

Note and advisement: This policy is adopted by the Board of Directors in order to bring the District into compliance with the Division of Elementary and Secondary Education rules concerning student discipline, and to incorporate the provisions of A.C.A. § 6-18-511. However, teachers should be aware that federal law governing a student's Individual Education Program (IEP) or 504 plan, or status as an individual with a disability will supersede Arkansas law. In many cases, removing a student from a classroom due to behavioral problems will violate a student's IEP, violate a student's 504 plan, or constitute discrimination against the student due to a disability that affects the student's ability to conform his or her behavior. Teachers have been successfully sued for IEP and 504 plan violations in other jurisdictions, and teachers need to understand that violating a student's rights is outside of the scope of his or her employment, and no insurance is available or provided by the school district for either legal defense or to pay a money judgment. Teachers who rely on this law and this policy to exclude a student with special needs or a disability are assuming a grave personal risk.

Definitions

- Place the student into another appropriate learning environment or into in-school suspension;

3.58—LICENSED PERSONNEL USE OF ARTIFICIAL INTELLIGENCE

Definitions

"Artificial Intelligence (AI)" means a machine-based system that can, based on a given set of human-defined objectives, make predictions, recommendations, or decisions influencing a real or virtual environment.

"AI Tools" means Software, hardware, or cloud-based applications that use AI to aid in tasks like content creation, data analysis, and personalized learning. For purposes of this policy, AI tools do not include items such as spell check or grammar check.

"Automated decision tool" means an AI tool that has been specifically developed and marketed, or specifically modified, to make or to be a controlling factor in making consequential decisions.

This policy governs the use of AI tools in classrooms, administrative functions, and decision-making processes by licensed employees and outlines the responsible and ethical use of integrated AI tools into teaching and administrative practices.

The use of AI tools by District licensed employees shall adhere to the following:

- Only those AI tools approved by the District's committee for the selection of AI tools may be used;
- The use of AI tools by licensed employees shall adhere to District policy; State and Federal law; State rules; and federal regulations governing data privacy; and
- The use of AI tools shall operate in a manner that allows staff, students, and parents to have the opportunity to access information on how AI tools are integrated in teaching and learning within the district.

Licensed employees may use AI tools to personalize learning, assist with lesson planning, and provide real-time feedback to students. Any use of AI tools shall be to complement, rather than replace, human instruction.

Licensed employees are responsible for helping students understand the boundaries of using AI tools in completing assignments. Any use of AI tools by students must be approved by the student's classroom teacher prior to the student's use. Students shall receive instruction on how content generated by AI tools should be:

- Reviewed for bias and inaccuracies; and
- Cited as a source, following District citation guidelines.

Any use of AI tools in the classroom shall be deployed in a way that considers equal access for all students, regardless of socioeconomic status, and shall not exacerbate inequalities. Licensed employees shall actively monitor AI tools for any signs of bias or inequitable treatment of students. It is the responsibility of the District's licensed employees to monitor AI tool usage and verify the use of the AI tools is in alignment with the district's ethical guidelines and educational goals.

While AI tools, including automated decision tools, may be used to assist with administrative tasks, such as lesson planning, scheduling, data analysis, and managing student records, final decisions impacting students or employees must involve human oversight.

Employees are responsible for their use of AI tools and for safeguarding sensitive information. Employees shall report any security incidents or potential data breaches immediately to a supervisor or the IT department.

Licensed employees are encouraged to provide feedback on the usage of AI tools to help the District ensure the effectiveness, ethical compliance, and relevance to the District's educational goals of the AI tools the District is using.

3.59—ANTISEMITISM PROHIBITED

“Antisemitism” means a certain perception of Jews, which may be expressed as hatred toward Jews. Rhetorical and physical manifestations of antisemitism are directed toward Jewish or non-Jewish individuals and/or their property, toward Jewish community institutions and religious facilities. Antisemitism may be expressed in speech; writing; visual forms; and actions, and employs sinister stereotypes and negative character traits.

The following are examples of actions, when taken as a whole, that may constitute antisemitism:

- The targeting of the state of Israel, conceived as a Jewish collectivity;
- Charging Jews with conspiring to harm humanity;
- Calling for, aiding, or justifying the killing or harming of Jews in the name of a radical ideology or an extremist view of religion;

- Accusing Jews as a people of being responsible for real or imagined wrongdoing committed by a single Jewish person or group, or even for acts committed by non-Jews;
- Denying the fact, scope, mechanisms (e.g. gas chambers), or intentionality of the genocide of the Jewish people at the hands of National Socialist Germany and its supporters and accomplices during World War II (the Holocaust);
- Accusing the Jews as a people, or Israel as a state, of inventing or exaggerating the Holocaust;
- Accusing Jewish citizens of being more loyal to Israel, or to the alleged priorities of Jews worldwide, than to the interests of their own nations;
- Denying the Jewish people their right to self-determination, e.g., by claiming that the existence of a State of Israel is a racist endeavor;
- Applying double standards by requiring of Israel a behavior not expected or demanded of any other democratic nation;
- Using the symbols and images associated with classic antisemitism (e.g., claims of Jews killing Jesus or blood libel) to characterize Israel or Israelis;
- Drawing comparisons of contemporary Israeli policy to that of the Nazis; or
- Holding Jews collectively responsible for actions of the state of Israel.

Antisemitism does not include criticism of Israel similar to the criticism leveled against any other country.

Discrimination and harassment based on antisemitism is expressly prohibited.

The District Title VI Coordinator shall report an incident or complaint of discrimination or harassment under this policy to the Arkansas Department of Education Title VI Coordinator.

In addition to the filing of a complaint under this policy, complaints of discrimination or harassment based on antisemitism may be submitted directly to the Title VI Coordinator at the Arkansas Department of Education.
